London, Aug. 25.-A dispatch from WONDERFUL CANINE RECORD water. Tangier to the Central News says the French cruiser Duchayla arrived there yesterday with a German sailing ship which she had captured off the Morocean coast. The sailing vessel was flying the Spanish colors when the Duchayla sighted her. The captain of the cruiser did not like the appearance of the ship and sent a party to he had collected £1,000 for the Lonboard her. They found that the vessel, which was a German, was carrying a cargo of French rifles. The warship took the contraband cargo Mrs. Mary Maker Eddy at Concord, N. aboard and on her arrival here transhipped it to the French cruiser Jeanne d'Arc.

It was rumored that the captain of the German vessel is held a prisoner aboard the Duchayla.

MAPLE LEAFS WON **EXCITING GAME**

Guelph, Aug. 26. - The first Cana- Took First of the Series From Newark by 6 to 3.

Toronto, Aug. 27. - Pardee failed to prove the puzzle to the Leafs yesterday that he has on past occasions, and as a consequence the heavy-hitting league leaders pulled away a few points further from the defeated Bisons in the race for Eastern honors. Eight to six was the score the Burnhamites were beaten by, and as the tally indicates, the initial game of the Newark series was anything but a runaway affair. The visitors were always within hailing distance. They led in the first of the fifth by 4 to 3, and not till the Kelleyites put over their quartet of counters in the latter half of the same inning were the Colts more than a run behind their opponents. In the concluding spasm they again came strong after one man cident which might have been attend- had been disposed of: Mitchell, who cary, sectionmen on the P. M., ob- sary chances. Mac then retired the ed good ball, and taking it all round The weather was ideal, and although the game was an extremely interest

Of the noise of London streets, caused by the hackney coach, Taylor, the old water poet, wrote: "It makes such a hideous rumbling in the streets by many churches' doors that people's ears are stopped with the noise, whereby they are debarred of their edifying which makes faith so fruitless, good works so barren, and charity as cold at midsummer, as if it were a great frost. By this means souls are robbed and starved of their
