## MONDAY MORNING

OAKLAND March 20.-Nadzu, the clev-er son of Lodowic, in the stable of H, G. Bedwell, won the Thornton Stakes at four miles in easy style at Emeryville to-day, finishing thirty lengths in front of Orcagna, with Mendon a distant third. The long-distance event was run in the presence of over 12,000 persons, and was over a dry track. Cloudy weather pre-valled, however, and rain fell after the stake event was decided. A field of six went to the post with Millford favorite and Nadzu second in demand. Milford went to the front soon after the start and led for two miles when Nadzu assumed command. Milford tired badly and Or-ragna moved up the last mile and rain into second place. The winner's share of the stake was over \$5000. Well-played borses won the other races. Summary. This season the Chesterfield for everyday wear is cut with a loose box effect, with lapels designed of liberal width. The stylish length for a man 5 feet 8 is 43 or 44 inches, which will bring the garment two or three inches below the knee.

Invariably the garment carries a natural collar, with silk-faced lapels. The Raincoat and Covert Coat are also shown in the Semi-ready store in slightly different designs from last season. Semi-ready Tailoring this season is a practical demonstration of good workmanship and careful designing.
