

POETRY.

THE MOTHER.

"It may be autumn, yea, winter, with the woman, but with the mother, as a mother, it is always spring."

I saw an aged woman bow To weariness and care; Time wrote his sorrows on her brow, And in her frosted hair.

VARIETIES.

WINTER.—Its Pains and its Pleasures. Winter brings many evils in his train, as the buyers of wood and coal, the proprietors of chimneys, & proprietors in threadbare trousers too well can testify.

Lord Mayor, and if ever you come to Ireland, and happen to be in the same condition that I am in, you shall command my services.

DIVORCE IN CHINA.—Marriage in China has but one form—sale. The consent of the parties is not necessary; the will of the parents is sufficient.

INSURANCE.

FIRE INSURANCE. E. DeW. RATCHFORD, AGENT for the NEW-BRUNSWICK FIRE INSURANCE COMPANY, of Hartford, Connecticut, continues to issue policies, and renewal receipts, for Insurance on Houses, Barns, Stores, Mills, and other buildings, vessels in port, or on the stocks, Household Furniture, Farmers' Stock and Utensils, Merchandize, Machinery, and every other description of property, against Loss or damage by Fire, on liberal terms.—It is a notorious fact, that the subject of insuring against fire, does not receive from the inhabitants of this Province that attention which its importance demands; and the premiums, for fire insurances particularly, bear so very small a proportion to the value of the property insured, that much less sympathy is felt for those sufferers who may have neglected to avail themselves of the means of providing against such calamities.

The capital of this Company, \$200,000, has been all paid in, and invested in the best securities; independently of which, a SURPLUS FUND of more than \$35,000 has been set apart to meet the occasional claims for losses, and the stock bears a high premium. The Agent will at all times attend personally to the survey of buildings on which insurance is desired within the City; and applications in writing (post paid) from all other parts of the Province, describing the situation and the property to be insured, will receive prompt attention. Saint John, N. B. 15th November, 1831.

NEW-BRUNSWICK FIRE INSURANCE COMPANY. THE Office of this Company, is open for Business every day, (Sundays excepted), from 11 A. M. till noon.—Answers to all applications for Insurances will be given at noon on the day following that on which they are made. All communications by Mail must be post paid. By order, D. JORDAN, Secretary. St. John, September 3, 1831.

WEST OF SCOTLAND INSURANCE OFFICE. THE Subscriber begs leave to inform the Public, that he has lately received instructions to take Risks at lower rates than heretofore; and also, to issue New Policies at the reduced rates for all Insurances now effected, at the termination of the Present Policies, instead of Renewal Receipts.
