

Mrs. Jeffray, and Misses Greig, Berry, Cameron, have been compelled to withdraw, for a time at least, from the work. We have received, in their places, Mrs. Picken, Mrs. Kirkland, Misses Millar, Caven, Thompson, Bethune, and E. Bethune, and Messrs. Picken, Monteath, Johnston, Peattie, McPherson, John O. Anderson, and Dawson.

On the 15th January, the Anniversary of the school was held in its usual place of meeting, when besides singing and addresses from some friends, Mr. Gowans a member of the congregation, very kindly gave, not only the use of his magic lantern, but his own services in connection with it. The season was one of great enjoyment to the children. The usual summer gathering was held on the 26th June, at the Mimico Grove. It was the largest of the kind we have ever had, and was considered by all present, children and parents, one of the happiest. Mr. McDonald reports the Library to be in a good state. A considerable addition has been made to it lately. The *Children's Friend* and *Infant's Magazine* have been supplied monthly to the scholars, and in some classes the teachers have supplied quarterly to those under their care the notes on the lessons.

The annexed statement of the Treasurer shows that \$85 have been received from the Treasurer of the Congregation towards meeting the expenses of the school, and that there is a small balance on hand.

The contributions of the school for missionary purposes have amounted during the year, including a small sum for interest, to \$229, being an advance of \$9 over the former year. This amount has been allocated as follows :

For Home Missions.....	\$100 00
“ Foreign Missions.....	79 50
“ French Evangelization.....	50 00

The thanks of the school are due to Miss Douglas for
