

Insurance Notices.

Phoenix Fire Insurance Office,
LONDON.

THE Subscriber hereby begs leave to inform the Public, that he is duly appointed by Power of Attorney, Agent for the above Office, and that he is prepared to issue Policies of Assurance on all insurable property in this Province and in Nova-Scotia, viz. on Dwelling Houses, Furniture, Stocks, and on Stocks and in Port, Stores, Mills, Goods, &c.

Against Loss or Damage by Fire,
not exceeding £5000 on any one Risk, and upon terms as moderate as other similar institutions.—He is also empowered to adjust and pay claims which may arise in certain cases.

The PHOENIX FIRE OFFICE has been extensively known in this country for many years past; and as its means are ample, together with the high reputation it has long sustained for liberality and promptness in adjusting and paying losses, leaves little doubt of the security of policies covered by its Policies.

Written applications from any part of this Province or Nova-Scotia, describing the Properties to be insured, with the particulars of situation, materials of which buildings are composed, &c. &c. will be promptly attended to.

JAMES KIRK,
Agent and Attorney.
St. John, 25th January, 1836.

WEST OF SCOTLAND INSURANCE OFFICE.

THE Subscriber begs leave to inform the Public, that he has lately received instructions to take Risks at lower rates than heretofore; and also, to issue New Policies at the reduced rates for all Insurances now effected, at the termination of the Present Policies, instead of Renewal Receipts.

JOHN ROBERTSON,
Agent and Attorney.
St. John, March 8, 1831.

ATNA INSURANCE COMPANY,
Of Hartford, Connecticut.

THE Subscriber having been appointed AGENT for the above Insurance Company, will issue Policies and Renewal Receipts on Policies issued by the former Agents, E. B. W. RICHMOND, Esq. for Insurance on Dwelling Houses, Stores, Mills, Factories, Barns, Vessels and Cargoes while in port, Vessels on the stocks, Household Furniture, Merchandise, and every other species of Insurable Personal Property.—against

Loss or Damage by Fire,
at as low rates of premium as any similar institution in good standing.—Will give personal attendance to the survey of premises, &c. in the City and vicinity, on which Insurance is desired, free of charge to the assured.—Applications in writing (post paid) from all other parts of the Province, describing the situation and the Property to be insured, will receive prompt attention; the correctness of which description shall on all occasions be binding on the part of the applicant.

The ATNA INSURANCE COMPANY was incorporated in 1810—Capital \$2,000,000, which has been increased to half a million of dollars. The Capital has been all paid in, and invested in the best securities, independently of which a Surplus Fund of more than \$50,000 has been set apart to meet the occasional claims for Losses, and the Stock bears a high premium. The reputation the Office has acquired for promptness and liberality in the adjustment and payment of Losses, requires no additional pledge to entitle it to a liberal share of public patronage.

The PROTECTION OFFICE has carried on business for several years past in the Provinces of Nova Scotia and Canada, as well as in this Province, and its character for liberality and equity in settling losses is already well established.
