## "THE BRUISER" IS BIG

FEATURE IN EXCELLENT NEW GEM PROGRAMME

Powerful Five Act Picture Story on Labor and Capital—Al Kaufmann in Stirring Bout—Superior Trapeze Act

The Gem's new programme made a last night, and well it should. The picture feature "The Bruiser," is a gripping, powerful live-act drama de-luxe, dealing with the problem of capital and labor. The stars are Wm. Russell and Charlotte Burton, both big people of the thrilling parts of the play, against Al Kaufmann, a noted boxer, and they meet in the ring in a labor hall. It is no stretch of a point, either, hard mil-ling for three rounds and ending in a triumph for the hero.
