There is dissension in the Boston American League Club, according to reports filtering around the American League. On a recent visit to New York, Jack Barry began riding Duffy Lewis when that player returned to the bench after making a bad play on a fast ball. The argument waxed hot until Barry suddenly lifted Lewis from the game, and sent Shorten to take his place. Internal troubles are always one of the first and surest signs of complete dissension in a baseball club. As a matter of fact, the Red Sox looked like a different machine from that which won the 1916 American League pennant and whipped the Dodgers in the world's series. Barry's efforts to hold together the players seem doomed to failure. A complete rebuilding is certain. THE TURF. Thirteen Heats to Win. Columbus, Sept. 22—It took thirteen heats to race off three events on the week-end card of the Grand Circuit meeting here, which will continue through Thursday night. Directum J. won the 2:09 pace in three heats out of four. The 2:08 trot was won by Ross B. after Mack Forbes had taken the first heat. The 2:15 pace had Flora A. Count Marque and Dan Hedge-wood as heat winners before Count Marque squared away and won the race in whipping finishes. J. D. Callery, of Pittsburg, today sold Peter Vaughn, who finished second in one heat of the Hoster-Columbus stake Tuesday, to Tommy Murphy. Murphy will campaign him in the big stake next year. Sells Race Horses. Halifax Recorder—L. R. Acker is retiring from racing and has sold King Oak, 2:11 1/4, and his Faber sulky to J. S. Wedlock, Charlottetown. He has sold My Colonel, 2:24 1/4, to J. McDonald, Dartmouth, and has disposed of his Stivers wagon. P. Doherty has taken Jenny Prisco, 2:14 1/4, with him to Sydney. Mr. Acker retains Little Smoke as a driving horse. MOTORING. Chevrolet Breaks Record. New York, Sept. 23—Louis Chevrolet won the 100 mile automobile race for the Harkness gold trophy on the Sheepshead Bay Speedway track Saturday. Ralph De Palma was second, Eddie Heane third, Ralph Malford fourth, and Dan W. Hickey fifth. Chevrolet's time of 54:20.98 is a new American speedway record for the distance. His average speed was 110.4 miles an hour. The former American record was 56:57.2, made over the same track by Dure Rasta in 1915. FOOTBALL. Old Country Soccer. London, Sept. 23—Saturday's football results include the following: Glasgow Cup. Celtic, 0; Rangers, 2. Patrick, 1; Third Lanark, 0. Scottish League. Motherwell, 1; Kilmarnock, 1. New York, Sept. 22—Benny Leonard, world's lightweight champion, last night snuffed out the championship flame of Leo Johnson, the colored boxer of Harlem, before it really had a chance to grow to the proportions of a full-sized flame, one minute and fifty-nine seconds after the bell had sent the boxes on their journey in what was to have been the principal ten-round bout at the Harlem A. C. RING. Champion Will Quit. New Orleans, Sept. 24—Pete Herman, world's bantamweight champion, has announced he had rejected the \$8,000 offer of local promoters for a twenty round bout here with Frankie Burns, of Jersey City. He declared he had quit the ring until after the war. Herman was drafted into the national army, and will soon report at the training camp.

HERZOG MAY NOT BE FIT TO PLAY IN WORLD'S SERIES New York, Sept. 24—Charles L. Herzog, the suspended second baseman and captain of the New York Giants, returned to the seclusion of his home, at Ridgeley, Md., without having taken any steps toward a reconciliation with his employers. Herzog went back to his farm in no wise reassured as to his health, which was the only worry that brought him here. He does not know, and his physician does not know, whether Herzog will be fit to participate in the fight against the White Sox. "Herzog is a very sick man," said Dr. Henry Moeller last night. "I advised him not to play some weeks ago. He has disobeyed instructions. Certainly he did himself harm by not resting up as I requested. "Whether he will be able to play again this year I do not know. Since going to his farm he has not improved so much as I hoped. I will do all I can for him. But as to whether he will be able to take part in the world series no man can tell. Certainly he shall not appear with my consent unless his health improves greatly within the next two weeks." Herzog called upon President Tener, to pay his respects. So far as known he did not discuss his standing with the New York club. As yet the National League has failed to promulgate this suspension, as is supposedly required by the constitution of the league. Perhaps some one in authority with the Giants was bluffing after all. Herzog's only concern, however, appears to be to get into condition for the series if the club decides it needs him.

BASE RUNNING HELPS WHITE SOX WIN AM. LEAGUE Boston, Sept. 24—Base running has been a big factor in the pennant drive of the Chicago White Sox. In fact, rival teams in the American League might accuse them of "stealing" the pennant. The latest base running figures show Rowland's team to be far in advance of the field. The pace set by the Rowland men has netted them a total of nearly 200 stolen bases in games played up to September 5, and they rank today as the best base running club in either major league. The Cleveland Indians rank second in this department while the Cincinnati Nationals are third. The base running of four White Sox has been particularly brilliant. Eddie Collins leads his team with a total of thirty-five stolen cushions, while Nemo Leibold, George Weaver and Happy Felsch, with Collins, have stolen 101 bases between them. Badges for War Heroes. Military Record, London: After long hesitation the war office have decided to distinguish the men who have been on active service at the front by a special chevron on the uniform. The men of the First Expeditionary Force and the Territorials who followed them in the autumn of 1914 will wear a chevron of one color. Those who have been to the front in the subsequent years will wear a decoration of another color. Everyone who has been to the front will be recognized by the mark of those who have "been to the front" and the men who have faced the enemy's bullets will be distinguished from those who have never left this country. Mr. Macpherson, in announcing the readiness of the war office to adopt this plan, explained some of the difficulties which had presented themselves in settling this apparently simple matter. The first desire was to give a special mark to the First Expeditionary Force, but this was found to be unfair to the men who were ready to go out in the first days of the war, but were kept back through want of transport. Moreover, the Territorials who, as Lord French has often said, saved the situation during the first autumn, had a strong claim to share in the distinction. Consequently the highest badge of honor is to
