Ottawa, Oct. 81.—A novel feature connection with the military service act may be the establishment of Canadian portfolio as the representative of his province in the government. At the time Mr. Brewster did not see his way clear to leaving his post as head of the provincial administration, although he intimated that he would support the new government.

Hon. Martin Burrell, the present representative of British Columbia, is said to be anxious to retire from politics to accept a permanent government appointment. Mr. Brewster was in Ottawa a few days ago conferring with Sir Robert Borden. He left for British Columbia to confer with his friends there in regard to the proposal that he should give his services to the new government here.

As far as can be learned no definite word has since been received from him

British aerial attacks on German military establishments in Belgium were continued actively on Friday night and Saturday, and an official report issued today indicates that considerable dampout the continued actively on Friday night and Saturday, and an official report issued today indicates that considerable dampout the continued actively on Friday night and Saturday, and an official report issued to the minister of Justice may provide for the up to October 25 five standard ships of despatch to men within any class called approximately 5,200 tons had been built, but that one of these had been lost.
