#### STREET CAR FARES.

Commencing on Monday, December 6th, the New Brunswick Local 273, will sell for One Dollar, a weekly pass on its street car service, entitling the bearer (one passenger) to any number of rides in the week without any other charge. In addition to this the Company will sell three tickets for a quarter, fourteen tickets for a dollar—and the usual ten cent cash fare. The weekly pass is adopted from the Milwaukee Electric Railway Co. who use it in Racine. They find it has increased the popularity of their Street Railway—and saves the delay in making change—and it shows a very material reduction in fares to those who desire to use the cars frequently. This weekly pass system will be tried out as an experiment to see how it takes in St. John. 12-5

#### THE WIGGINS MALE ORPHAN INSTITUTION.

Again the Governors of the Wiggins Male Orphan Institution are obliged to make an appeal to the public for assistance (confident that the good work that has been carried on by the Institution will commend itself to the charitably inclined). There will be a deficit for the current year of about Three thousand Dollars (\$3,000.00) to meet. Since the Wiggins Institution was established, it had been enabled to meet its expenses for maintenance without public assistance, until war conditions arose; but due to these conditions and the high cost of living for the last three years, expenses have exceeded income, and produced deficits, which must be met if the good educational work of the Institution is to be continued. We especially appeal to you for help that will result in educating boys, who will become good citizens, and be a valuable asset to our city. Subscriptions will be gratefully received by the President, or Secretary-Treasurer. On behalf of the Governors, J. T. Knight, President.
