TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel backache or bladder troubles—You—Salts is fine for kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poisons, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

CATARRHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or head and ear noises or are growing hard of hearing go to your druggist and get 1 ounce of Fermit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

Washing Won't Rid Head Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

Quick, Safe Way To Remove Hairs

(Toilet Talks.) Keep a little delatone powder on your dressing table and when ugly, hairy growths appear, make a paste with a little of the powder and some water, apply and let remain on the hairy surface for 2 or 3 minutes, then rub off, wash the skin and the hairs have vanished. This treatment is quite harmless and rarely more than one application is required, but to avoid disappointment care should be taken to buy the real delatone.

Use Cuticura to Keep Your Hair From Falling

How many times have barbers given this advice to men who are losing their hair because of dandruff and scalp irritation. At night rub Cuticura Ointment into the scalp. Next morning shampoo with Cuticura Soap and hot water. A clean, healthy scalp means good hair.

Soap 25c, Ointment 25c and 50c. Sold throughout the Dominion. Canadian Depot: Lyons, Limited, St. Paul, Minn.

Use Cuticura Soap shaves without ras.

He said it was a gigantic task that the French-Canadians were tackling when undertaking to rebuild the recently destroyed University of Montreal.

A WORKING GIRL'S LIFE

Day in and day out, month after month, she toils. Often she is the breadwinner of the family and must work that others may live. Rain or shine, warm or cold, she must be at her place of employment on time. A great majority of such girls are on their feet from morning until night, and symptoms of female troubles are early manifested by weak and aching backs, dragging pains, headaches and nervousness. Such girls are asked to try that most successful of all remedies for woman's ills, Lydia E. Pinkham's Vegetable Compound. Dr. A. for more than forty years has been giving girls strength to do their work.

SLAYER OF DENTIST ASKS QUICK TRIAL

Isaac Isakowitz Ready to Die, He Tells Police—Killed Man with Hatchet.

New York, Jan. 15.—Realizing, he said, that he is going to the electric chair, and asking quick action, Isaac Isakowitz, arrested Saturday for the murder of Dr. Jack D. Hanania, a dentist, in the latter's office at 21 East 118th street, was arraigned in Harlem court. An affidavit charging suspicion of murder in the first degree was presented in the case.

The detective said Isakowitz had made a complete confession. Hearing was adjourned and Isakowitz was remanded to prison. Dr. Hanania was beaten to death with a hatchet in his office Saturday morning. Isakowitz, according to his alleged confession, held a grudge against the dentist for the latter's part in prosecuting him, seven years ago, for an assault upon Rose Falcon, a cousin of the dentist.

Missionary Captured By Bandits in China

Dr. A. L. Shelton Being Held for Ransom Near Yunnan-fu by Notorious Brigand.

Peking Jan. 7.—Dr. A. L. Shelton, a Christian missionary, was captured by bandits at Looyang-fu, near Yunnan-fu, on Saturday, Jan. 3, and is being held for ransom, according to reports received here. The wife and two daughters of the missionary have arrived at Yunnan-fu, the former declaring that the kidnappers were acting under orders of Yang Tien-fu, a notorious outlaw who has been operating, with 5,000 followers, in the Kachin Mountains. It is said his object has been to discredit the local government for the latter's refusal to accept the terms of surrender laid down by the band. The brigands stated they would treat their prisoner as a guest unless the military was employed to effect his release. Yang Tien-fu is reported to have been educated as a military officer in Japan.

Officials of the American legation here and Chinese authorities are investigating the case.

THIRD CASE AGAINST WM. WEBBER DISMISSED

William Webber was found not guilty of the third charge against him, that of keeping liquor for sale without a proper license in the police court yesterday afternoon and the case was dismissed. William Ryan, counsel for the prosecution, in his address to the court, said that the onus was on the defendant and that he must prove beyond reasonable doubt that he did not have liquor for sale. He asked for a conviction. The magistrate, in summing up the evidence, said that he had not a particle of doubt as to the truth of the evidence of the defendant in denying that he had liquor for sale and he would therefore dismiss the case. An application was made by Mr. Ryan for an order to destroy the liquor and he will be heard on this matter on Monday morning at 11 o'clock.

CARDINAL GIBBONS CONDEMNNS DIVORCE

Calls on Women to Sanctify the Home and Work to Stamp Out the Evil.

Declaring that divorce is one of the greatest evils of the present day, Cardinal Gibbons, in an address of welcome at the opening session of the International Federation of Catholic Alumnae in Baltimore, urged the women to maintain the sanctity of the home and to make every effort to check the divorce evil.

Cardinal Gibbons said that the Church would be deprived of an important factor for the development of Christianity in the nation were it not for the work of the women, and congratulated them on the work accomplished during the war. He said: "As I have said many times before, I do not know what would become of the church and society at large if it were not for the female sex. I will leave out of consideration what the religious women are doing. I will say nothing of

that grand army of teaching women throughout the country. The Catholic school has become a factor for the development of Christianity, and therefore for true Christian civilization. "The whole country knows what woman has done throughout the late war. True, she did not fire any guns, draw swords, did not kill anybody, except by a glance of the eye. But she did a great deal for the happy consummation of the

war. She visited our soldiers, cheered them, brought into their lives comfort and joy. "It was informed that it lies within your line, now that we have peace, to take an interest in civil affairs. Yours is the domestic kingdom. Your sphere is the home, to make it joyous, bright and happy. Home is a very desolate place without a mother or wife to cheer

it. Your part, therefore, is to exercise a mission in this domestic kingdom. If you sanctify the home you will sanctify the nation. The stream cannot rise higher than its source. Diner—"What on earth is this broth made of, waiter? Surely it isn't chicken broth." Walter—"Well, sir, it's chicken broth in its infancy; it's made out of the

water the eggs were boiled in."—Boston Transcript.
