

REPORT

OF THE

Board of Trustees of St. Andrew's Church.

At our last Annual Meeting the Board of Trustees had the painful duty of reporting the sudden death of John Birrell, Esq., one of the Trustees of our Church property, and the appointment of Joseph Atkinson, Esq., as Trustee to fill up the vacancy caused by Mr. Birrell's death.

This year we have to report with sorrow the death of Mr. Wm. Begg, which took place in this city, on the 28th July, 1876, at the advanced age of 75 years. Mr. Begg was connected with the congregation for about 33 years, and for many years was one of the most active and useful office-bearers of St. Andrew's Church, having discharged the duties of Elder, Superintendent of the Sabbath School, Treasurer, Precentor, and Trustee, all of which services he gratuitously and willingly discharged, until infirmities and old age unfitted him for active duties.

The Board of Trustees met on the 4th Jan., 1877, to fill up the vacancy caused by Mr. Begg's death, and unanimously appointed John Martin Fraser, Esq., M. D., as Trustee for St. Andrew's Church; and the appointment has been duly registered.

All of which is respectfully submitted.

J. G. McINTOSH, *Chairman.*

G. M. GUNN, *Trustee.*
