

At first consideration it appeared to me
that the date of the commencement of the
absence in the change sheet was wrong
and should have read 9 Nov 44 instead
of 8 Nov 44.

Some time after I had struck out 8 Nov 44
Capt W. A. (Land, Adj. 6) on 9/11/44
R O A, advised me that the mistake was
made in the summary where the date
9 Nov 44 was set out as date of
commencement of absence without leave.
Accordingly I once again wrote in
8 Nov 44 on change sheet and initialed
same.

As the change sheet reads as when signed
by the commanding authority - I do not
consider that I have amended same.
