TORONTO LIVE STOCK.

Toronto, —April 11.—Ail told there were 53 loads came in to the western cuttle market this morning, including 50 6hogs, 250 sheep and lambs, 100 calves, 12 milkers, and least than half a dozen spring lambs.

The weakness in cattle, which commenced on Friday, continued to-day, day, and lath shipping and butcher cattle were again from lifteen to twenty-five cents per cwt. lower this morning, and trade was slow, as buyers and sellers held divergent, views as to prices.

Shipping cattle ranged from 41-4 to 5c, per pound, which latter price may be considered the limit just now, though a few selections were reported as selling at a shade over five cents.

The bad market yesterday at Montreal, weak cables from London, and Liverpool, with depressed, markets in the States, all had an effect here, and all things considered the wonder is that the market here maintained as steady a
