FARM for SALE.

The Subscriber offers for Sale his extensive and well known farm, on the right bank of the Tabus-intac River at the end of the great road bridge

intag River at the end of the great road bridge creasing the same. The property embraces one hundred and forty acres, severaly-five of which are under high culti-vation. It produced this year (1887) 25 tons hay, 160 bunkels wheat, 200 bunkels sota, 60 bunkels barley, 40 bunkels peas, 900 bunkels potatores, be-sides other small crops. It has on it a dwelling suitable for a hotel, a large harm, outbouges ed., one of the latter being 80 x 12 ft. There is a never-failing spring of water close to the house. An inexhaustible bed of mussel-muld lies in front of the farm and this first class fertiliser is easily obtained.

vation. It produced this year (1887) 25 tons hay. 100 bashels wheet, 200 bushels acts, 60 bushels barley, 40 bushels peas, 900 bushels potatoes, be-isdes other small crops.
It has on it a dwelling suitable for a hotel, a so on the farm and this first class fertiliser is easily obtained.
An inerthaustible bed of mussel-mud lies in rott of the farm and this first class fertiliser is easily obtained.
Steamers and other large eraft can lie at the bidge wharf rendering water carriage as well as land-convergance easily available.
This is one of the best chances ever offered for ago of farmer wishing to locate on the Miramichi.
For further particulars apply to D. G. Smith advance office, Chatham or to the owner, on the premises.

His

Children Cry for Pitcher's Castoria. There is no man i New Brunswick whose manure producal in one year by a span of judgment in a great business arrangement horses and six cows would amount to

of landlords who had no sympathy with sep is of readers. It is sife to say that result. It is estimated that the liquid former residence was in Pittsburg. The

n unco spited for afterhin'. I may say prosperously exist under the same legislathat maist a' my days this sinfu' taber ture and the same laws, paying the same uacle o' mine has aye been daublin' in som respect to the law and enjoying equal libnire; an' I earnestly pray that a' my blun erty. Vacillation has been the great ders may turn out tae the yedification o' rime of England against Ireland, and no my puir soul. I'm aye sinnin' and aye overnment could be of any avail uniess repentin' an' ye'er aye forgettin' and aye t showed that it could govern resolutely. forgein me But, O Lord! amang the mul-Referring to the fair trade movement he titude o' a' innumerable sins sins oot o' leclared himself a free trader still on the body or in o' the body-they niercarprinciple, but said there were many things ried a load o' grief along wi' them I ke this xisting in the fiscal system contrary to turnip affair, bein' ken'd to the hail neighree trade. Experience tended to show borhood, a' the rest o' blunders pit the

that the free trade theory had been carried gither are but like a flea-bite to this. My too far or misapplied. Some reaction was worn-out frame must sink beneath the probable. The sagar bounties question burden. Its haulin' the flesh aff my bones; was an instance of the huetfal operations I'm gane to a vision, an' by a' appearance of in liseriminate free trade. The agriere long I'll be mixed by mode The cultural question was a more difficat ub-

morn! the morn! O Lord! that awfu' morr ject. It must be admitted that the interwhen my helpless, harmless, innocent ests of the producer and consumer in the faitherless onir M-B-will be torn frae productions of the English soil, bound by a common interest, must stand or fall tothe airms o' her ain auld mither, and flun, into a caul' damp tolbooth either to dee or turn daft, in a place only bigget for thieves gether. He appealed to England to maintain the union and was convinced that an' vagabon's! O Lord do Thou muzzle the those who thought the next election mouth o' her pursuers. Thro' Thy mantle

would upset unionism utterly misread the o' protection around her. May she he l ke sentiments of the English democracy. Thy servant Daniel when case in tae the the Canadian Live-Stock and Farm Journal] den o' lions-the vile filty brutes durstane touch him. I pray that my dear lamb by Management of Manure.

Thy power may escape frae the jaws of her pursuers, au' without spot or blemish Farmers waste money. It is true they to not waste it directly, or many of them come whitterin' hame to her ain sheep knowingly, but they certainly waste their fauld, an' join in the evenin' exercise w nanure, which is equivalent to money. the ewes an' lambs o' Thy favored and be t seems strange that so much waste is tolerated by intelligent farmers. In these cular manuer visit that bunnel-or I may lays of agricultural progress and agriculrather say that sacktu'-o' iniquity, Dural papers every farmer should know B-, wha is the cause o' a' this evi con how to take care of his barnyard, and vet how often do we pass by yards that Thee, to cut him off frae bein' a tiller i speak plainly of neglect and waste. the vinyeard, an' not let him encumber Manure is composed of the solid and

the groun' ony langer; if not, may th liquid excrement of animals, mixed with liquid excrement of animals, mixed with the litter used for bedding. A very great deal depends on the animal itself. A deal depends on the animal itself. A deal depends on the animal itself. A young animal requires a vast amount of Find to build unuand streamthen the average of the transition food to build up and strengthen the sys- for help-like Jonah frae the whale's b. li tem. A working animal also requires a -O Lord! for my sake, never let on y

great leal to supply the waste of muscle, and therefore these animals produce in-Terior manure. Animals that are being the remainin' hairs aff his and hald pow fattened produce a very superior manure, VAn' as a mark o' Thy ange? for the unheard being unable to assimilate all the food of way he is for usin' us, may he ever after given them. Some kinls of food make

ditches and be lost altogether. How held one tenth of ticket No. 69,368 which
