A HUNDRED DROWNED OFF VANCOUVER COAST.

VICTORIA, B. C., Jan. 24.-A great bride, formerly Miss Raiss. Another Carmanah, off the west coast of Vancouver Island. The str. Valencia of San Francisco, a regular liner sailing between points in California and Washington, Victoria and the north, and which was due in Victoria last night, was wrecked off Cape Beale, going ashore on a rocky and perilous place. The first news of the disaster reached Captain Gandin, receiver of wrecks, and may have already rendered help. The bridge on board are A. Downey of Saanich and wife, the latter a Miss Camp. J. Lyle, a former purser of the Rosalie, and Mr. Fay, an insurance man, were also on board.

The steamer Queen City, which left here last night for the west coast, had on board a number of Indians who were to land both at Cloose and Pachena Bay, where the Valencia is. This being the case, the Queen City could not fall to see the stranded vessel, and may have already rendered help. The

ed Captain Gandin, receiver of wrecks, late yesterday afternoon upon the arrival of nine of the survivors in a boat which succeeded in landing at Telegraph Hut, on the coast, several miles from the scene of the disaster. Information obtainable from them as to the loss of life when the Valencia struck loss of life when the Valencia struck and the crew and passengers took to the men who are on the face of the cliff

Francisco. In addition to the Queen, which was sent to the scene of the rest intelligence of the loss of the Valncia, and little further information. first intelligence of the loss of the Val-encia, and little further information has come to hand. All the people can do now is to wait in terror for tidings from the crews of vessels which are hurrying thither, the first of which cannot reach there before ten o'clock today. The vessel is reported to be stand by unfil daylight, being unable against a cliff and the survivors who reached shore near Carmanah are the only men who can furnish details of the affair. They have already told their story, although a disconnected one.

reason the vessel proceeded so far north and how she came to strike on the coast still remains unexplained. the coast still remains unexplained.
