Ottawa, Ontario,
August 14th, 1957.

Dear Sir:-

I beg to acknowledge receipt of your letter of August 6th in which you refer to what were formerly known as Petroleum and Natural Gas Leases Nos. 3 and 9, in the Stoney Indian Reserve, and now of record in the name of Hector Oils Limited.

I have discussed the matter of extension for a further year terminating July 1st, 1958 with the Director, Mr. McGill, and it has been decided to grant such extension in view of the fact that certain unabsorbed credits still remain in excess of the rentals which would be required to be paid for the period covered by such an extension. A note might therefore be made in your records to the effect that these leases have been extended to the First of July, 1958, and our records will be amended accordingly.

Yours very truly,

G. Caldwell,
Chief, Reserves Division.
