OBITUARY.

Alfred Reid.

Alfred Reid, N. B., Aug. 28.—Alfred Reid, aged 82 years, fell from a load of hay Wednesday morning at his home in Caledonia Settlement and sustained serious injury. Mr. Barkhouse, the nearest neighbor, hurriedly summoned Dr. Carnwath, but when the doctor reached the patient life was extinct, caused by a dislocation of the neck.

community where he met his sad fate. The funeral took place at 2 P. M. on Thursday. Interment was made in the family lot in Caledonia churchyard, and the services in the church and at the grave side were conducted by Rev. H. E. DeWolf, pastor of Hopewell Baptist church. Besides his widow Mr. Reid is survived by one son Gideon D. Reid of Boston.

Mrs. William Dawson. Albert, N. B., Aug. 27.—Mrs. Wm. Dawson died at her home at Hopewell Hill this morning at four o'clock. Mrs. Dawson underwent an operation for cancer two weeks ago which proved to be very serious, one rib having to be removed and no hope for her permanent recovery were entertained.

Mrs. Dawson was 62 years of age, a member of Hopewell United Baptist church, was the third daughter of the late Philip Daley of the Parish of Harvey, and by her first marriage became the wife of the late Nathaniel Peck. She is survived by one sister, Mrs. Mary McArron of Harvey, Dennis Daley of Elgin, Owen of Rhode Island, Conn., Philip of Banor, Me., and Edward of Harvey.

The funeral of George Patterson took place yesterday afternoon from his late residence, Pokokok road. The obsequies were conducted by Rev. J. McCaskill. Interment was in Fernhill cemetery.

CARD OF THANKS. Mrs. Robert Maxwell and family wish to thank their many friends for kindness and sympathy shown them in their recent bereavement.

It's Easy to Peel Off Your Tan or Freckles

This is what you should do to shed a spotted complexion: Spread evenly over the face, covering every inch of skin, a thin layer of ordinary mercurochrome wax. Let this stay on overnight, wash it off next morning. Repeat daily until your complexion is as clear, soft and beautiful as a young girl's. This result is inevitable, no matter how soiled or discolored the complexion. The wax literally peels off the flimsy surface skin, exposing the lovely young skin beneath. The process is entirely harmless, so little of the old skin coming off at a time. Mercurochrome wax is obtainable at any drug store; one ounce usually suffices. It's a veritable wonder-worker for rough, tanned, reddened, blotchy, pimply or freckled skin. Pure powdered axolite is excellent for a wrinkled skin. An ounce of it dissolved in a half pint witch hazel makes a refreshing wash-lotion. This renders the skin quite firm and smooth; indeed, the very first application erases the "frown lines," the deeper ones soon follow.

PATRIOTIC FUND STILL GROWING

Additional collections announced yesterday brings it up to \$10,017.82—Many generous gifts.

At the meeting of the executive committee for the Soldiers' and Families' Fund in the Board of Trade rooms yesterday morning, A. P. Barnhill, K. C., presided.

The secretary, R. E. Armstrong, read a letter from Rev. R. J. Haughton, saying that in the St. John Congregational Church on Sunday there would be a collection for the fund. He suggested that other churches might help the fund considerably by the same method. He was thanked for his offer.

J. A. Fugley wrote saying that his offer of his grounds at Glen Falls for a garden party in aid of the fund was still open.

Messrs. G. E. Barbour & Co. offered the proceeds of the demonstration of King Cole tea at the Exhibition. The Girls' Association will serve tea at the booth. They suggested that other exhibitors might help the fund in the same way.

Mrs. David P. Chisholm has been named to represent St. Monica's Guild on the Ladies' Visiting Committee.

Col. E. T. Sturdee said he had visited the island and talked over with the men the matter of leaving part of their pay for the benefit of their families. A movement is now on foot among them to have part of their pay devoted to their families' support.

Treasurer C. B. Allan reported that the fund now amounted to \$8,000. Mr. Robert Thomson contributed \$300 this morning.

Messrs. Geo. A. Knodell, Jas. Ryan, John H. Walker, G. H. Waterbury, W. Clinton Brown, W. H. B. Sadler, Wm. Knodell have been added to the general committee. They represent Prince ward.

On motion of G. S. Mayes it was decided to place boxes for contributions at public places such as schools, churches, etc., to get contributions for the fund. Mr. Mayes, G. Kimball and J. Roy Campbell were appointed to arrange the matter.

Senator Thorne said he thought steps should be taken to merge the fund into the Canadian Patriotic Fund.

Mr. Schofield thought the fund should be handled locally.

The chairman said it was already on record to merge the fund if advisable into a provincial fund under the patronage of the government.

After some debate the matter was allowed to stand.

Subscriptions came in freely for the Soldiers' and Families' Patriotic Fund and everywhere the collectors are being given generous assistance. C. B. Allan, the treasurer, now has on hand \$10,017.82. Subscriptions announced yesterday are:

RED CROSS NURSES SHOT BY GERMAN OFFICER

Two killed and a third, an American, wounded by savage soldier of Kaiser's army at Moncel.

Washington, Aug. 28.—France has submitted to the United States and other neutral governments a sworn statement that after an engagement at Moncel, a German officer fired on three Red Cross nurses, killing two and wounding the third.

Marcelle Jouy, a nurse who was wounded, swore that in the battle on August 18 she was attending the wounded, with two other nurses, when a German officer opened fire on them from a distance of less than thirty feet. She was killed.

The French government, protesting that the act is in violation of the Geneva convention of 1906, says it exemplifies the savage character of the war.

GREAT BATTLE RAGING NEAR LEMBERG

Russian troops under Gen. Wanaff engaged with three Austrian army corps—Russians in vicinity of Koenigsburg

St. Petersburg, Aug. 28.—Announcement was made by the war office today that the Russian troops in force are engaged in the vicinity of Koenigsburg, having driven back the German outposts on the crossings of the river Alle to that fortress. It is further stated that the Russian troops are successfully hemming in the Twentieth Army Corps around Allestein, and that success has attended the Russian operations in Galicia. The Austrian army, it was said, can no longer avoid a general conflict. The fortress of Lemberg is practically surrounded by Russian troops.

London, Aug. 28, 3.55 a. m.—A despatch to Reuters from Paris gives additional war office communication, which says: "After the victory of the Russians, the German troops in East Prussia evacuated the district of Masurenland, southern East Prussia."

"The Russians sustained no check in this very difficult country and yesterday they occupied its western outlets. It is confirmed that they captured a hundred guns from the enemy."

"In Galicia the Russian offensive is being continued normally south and southwest of Pranol."

St. Petersburg, Aug. 28.—What is described as a great battle, is now raging on the banks of the Ezereth river, near Lemberg, according to semi-official advices here. The Russian troops under General Wanaff are engaged with three Austrian army corps. Despatches say Russian aeroplanes have proven of inestimable value on the forward movement of the Czar's troops, several having flown over Lemberg.

Paris, Aug. 28.—Colonel Onobichin, Russian military attaché here, is quoted by the Journal as having remarked in an interview that he could say without indiscretion that other armies were about to invade Western Prussia. After crossing the Vistula, he said, the Russians would march straight to Berlin.

London, Aug. 28.—The Russian em-

bassy has received telegrams confirming the Russian occupation of Tilsit, a town in East Prussia, sixty miles northeast of Koenigsburg. It is added that the Russians made great captures and that the garrison and population fled.

The Russians have established postal service in East Prussia and Russian stamps are used.

Sir John French intimates Allies will meet Germans in another terrible struggle within a day or so.

London, Aug. 28.—Premier Asquith announced in the House of Commons today that the British troops in Wednesday's fighting, were exposed to the attack of five German army corps. The losses on both sides, he said, were great. The Premier's announcement was as follows:

"We have heard from Field Marshal Sir John French, commander-in-chief of the British expeditionary force, that in the fighting which took place between his army and the enemy, on Wednesday, August 26, and which appears from French official reports to have been in the neighborhood of Cambrai and Leateau, our troops were exposed to the attack of five German army corps; two divisions of cavalry and a reserve corps of cavalry, and a second cavalry division bore the brunt of the cavalry attack, while our first army corps was attacked on the right and inflicted a very heavy loss on the enemy."

"I regret to say that our casualties were heavy, but the exact number is not yet known. The behavior of our troops was in all respects admirable. General Joffre, the French commander-in-chief, in a message published this morning, conveys his congratulations and sincere thanks for the protection so effectively given by our army to the French flank."

"Sir John French's pithy despatch read in parliament yesterday is re-reading in two important particulars. First of all, he tells us that our troops fought splendidly yesterday against a superior number, and then he says that he is making ready for another fight. A battle is imminent, where he is going to fight again to day or tomorrow he does not say, but he speaks of his position and prospects as satisfactory. There is a quiet, soldierlike ring about the field-marshal's words, which have done a great deal in the last few hours to restore public confidence."

"There is a time to be bold, and a time to be prudent, and this is just what Sir John French understands better perhaps than any other living English general. There is no fear for his communications. He will take the same care of them in France as the Duke of Wellington took of his in Spain."

The presence of Sir Derek Keppel, the king's equerry, at the Aldershot royal pavilion for the last few days against all preparations with the building itself, herald the advent of the king, who, it is believed will arrive tomorrow. His majesty will then be in the centre of the troops of the new regular force, and it is expected that he will remain in residence until the situation on the continent has taken definite aspect.

DEFENDS AIR ATTACK ON ANTWERP

German ambassador at Washington claims, in modern warfare attack from air on fortress permissible.

Washington, Aug. 28.—Count Von Bernstorff, the German ambassador, conferred with Secretary of State Bryan today on the censorship at German-owned wireless stations. Secretary Bryan said afterwards that the question was still unsettled. In defense of the action of the Zeppelin airship in dropping bombs into Antwerp, Count Von Bernstorff declared that in Germany the presence of women and children in a fortress, such as the city of Antwerp, was not permitted.

Attack upon a fortress in modern warfare, he pointed out, may be carried on from the air as well as from the siege guns.

When the Count was shown today's news despatches from Berlin in which the various generals in command of the westward advancing German armies were named, he listened with great interest.

"This is the first time," he said, "that I have heard it stated where our generals are."

The names of the commanders, as well as the regiments engaged, had been kept secret, even from the highest officials in the empire.

Which Will You Take? Tires At Extra Prices With Extra Features

Nowadays, 18 American and Canadian makes of tires are costing more than Good-year prices.

Some makes cost one-third more. One-third more than No-Rim-Cut tires—the world's top-place tires—the tires that out-sell any other.

Consider what that means. It means \$5 to \$15 extra on each tire you buy. It means one-third more tire upkeep—unless they are better tires.

It means that three of the extra-price tires cost as much as four No-Rim-Cuts. It means that the same price—or less—would buy a half-inch wider Goodyear.

Extra prices are unjust. No man knows of any way to build better tires than Goodyears. Goodyear spends \$100,000 yearly in the aim to find a way.

In the four ways listed at the right no other tire equals the Goodyear. Men have bought four million Goodyears in Canada and elsewhere. They have tried them out. As a result, they buy more of them than of any other tire.

That any tire can be worth one-third more is simply unthinkable.

St. John Branch, - - 83 Prince Wm. Street

And, with all their exclusive features, they cost you less than 18 other makes. Ask your dealer for Goodyears.

Those are costly features. On their account No-Rim-Cut tires used to be the high-priced tires. But we gave you the savings due to increased output and efficiency. No-Rim-Cut tires now cost half the old-time prices.

They are made in Canada at our Bowmanville, Ontario, factory, where methods and equipment are exclusively Goodyear.

Our "On-Air" cure—a cure, under road conditions, to save the blow-outs due to wrinkled fabric. This one exclusive process adds tremendously to our manufacturing cost.

Our large rubber rivets—formed in each tire by a patent method to combat tread separation. They reduce this danger by 60 per cent.

Our All-Weather tread—the tough, double-thick anti-skid. The only anti-skids which run as smoothly as plain treads. The anti-skids with deep, sharp, bulldog grips.
