

N. B. CROP REPORTS ARE ENCOURAGING

Potato Yield Likely To Reach the 10 Million Bushel Mark.

PROVINCE'S GIFT TO THE EMPIRE

First Shipment of Potatoes to be sent to England have been made—Begin packing today.

Special to The Standard, Fredericton, Sept. 20.—The first shipments of potatoes to make up New Brunswick's gift of 10,000 bushels to the British Empire have been made and Mr. J. B. Daggett, Secretary for Agriculture, was at St. John taking delivery of several carloads.

He also arranged for inspection of shipments as received and Leonard Ship of Hampton, Queen's County, will be chief inspector on the work. Arrangements were made by Mr. Daggett while at St. John to have the work of packing potatoes commenced on Monday.

A steamer is being chartered to sail from St. John the latter part of October for Great Britain with 100,000 bushels of New Brunswick potatoes and New Brunswick apples to be sent by the Fruit Growers Association for wounded British sailors and soldiers in the hospitals in the Old Country.

The potatoes will be packed in 10,000 barrels and 50,000 bags. The bags have been manufactured in Montreal and of a special quality of light color and will bear printed the inscription "Potatoes grown in the Province of New Brunswick, Canada," in red, and "New Brunswick's gift," in blue.

New Brunswick farmers are now harvesting one of the best, if not the best, crop in the history of the province and the present abundant crops could not be had at a more opportune time.

From every section of the province reports sent to the provincial department of agriculture on crops have been of the most encouraging nature and the weather of the past week or ten days has aided in no small way to make the yield of 1914 a record one.

It is on account of the fine weather conditions that the potato crop has reached such large proportions, more than 10,000,000 bushels being the official estimate. Early September rains did no serious damage to any of the crops.

The wheat crop is excellently, probably the best that it has been for many years. What is true of the wheat crop is true of oats also. The grain in New Brunswick was never better, as a matter of fact production of grain in New Brunswick was never better than this year both in regard to quality and quantity.

The apple crop is a record one. The prices being secured by farmers for their apples are not as large as in former years. However, this, of course, is attributed very largely to the war situation but the outlook lately is more encouraging for better prices.

The demand for New Brunswick apples in Great Britain is not nearly so great as last year on account of the war, and shipments to the Old Country are curtailed to a great extent.

Aside from apples, however, prices for all farm produce are exceptionally good. With an added supply of foodstuffs needed in countries now at war, and shipments to New Brunswick with their banner crops will be able to furnish a share of this supply.

WILLIAM II. IS COMMON FOE TO EUROPE AND MUST BE ELIMINATED, HE SAYS

Woodstock, Aug. 14.—Professor F. W. Rietdorf of the staff of Woodstock College, and a former German soldier has written a remarkable letter in denunciation of the German Kaiser. After stating that the quarrel in the present war is not with German people, Professor Rietdorf says: "We must deeply sympathize with the German people in the sufferings and dangers brought upon them by their ruling classes, by an oligarchy, insane, military government. It is the Germany of the 'climbed fist' and the 'drawn sword,' of the 'shining armor' and the 'saber rattling in the scabbard' that calls for no sympathy on our part. It is the Germany that has precipitated the monstrous struggle of the day that fills us all with horror and indignation."

"I am a native German and a former German soldier. My own position in this struggle is perfectly clear. My loyalty to the British flag makes me stand against any and all enemies of Britain. If need be I should even fight against Germany though with a bleeding heart. Furthermore, I desire disaster to the German army in this war, for the reason that it will mean restoration of fellowship among the western nations for one of the greatest peoples of Europe. A liberal, free, democratic Germany will start on a new and lasting era of prosperity, of peace, arm in arm with England and France."

Germany's defeat will mean the establishment of a German republic, and the elimination of William II. and all that he stands for. Such things as 'divine right' and 'matted hair' are anachronisms, an insult to the intelligence of the people of the twentieth century. William II. is the common foe of Europe, and he must be eliminated. Defeat of Germany in this war means ultimate salvation and freedom for her. Germany will be the greatest gainer through defeat."

OBITUARY.

George F. Everett

Many friends in St. John will learn with regret of the death of George F. Everett, which occurred in Ottawa on Friday. Mr. Everett was a son of the late Charles D. Everett of this city, and at one time conducted a drug business in King street in the premises occupied until recently by C. & E. Everett, furriers. In 1875 he was appointed New Brunswick superintendent of the money order branch. He was superannuated about ten years ago.

Mr. Everett's wife, who was Miss Fletcher of Yarmouth, died several years ago. He leaves three daughters, Misses Frances, Ethel and Isabel, all residing in Ottawa. Three brothers also survive. They are Henry L. Everett of St. John, Thomas E. Everett of Halifax and Frank A. Everett of San Jose, California.

The body will be brought to St. John for burial and the funeral will be held from the depot on Tuesday on the arrival of the Montreal train. Interment will be in Fernhill.

George Higgins

The death of George Higgins, a life long resident of St. John, occurred Saturday morning at the home of his sister, Miss M. A. Higgins, Union street. He was for many years employed with O'Neill Bros. as a teamster, and was well known about the city.

JOSEPH BULLOCK DIED SATURDAY MORNING

Prominent St. John man passed away at office—News cast gloom over city.

St. John lost one of its best known and most public spirited citizens Saturday morning when Joseph Bullock died suddenly in his office of heart failure.

Mr. Bullock, though in his 82nd year, was apparently enjoying the best of health until 10 o'clock Saturday morning when he was suddenly overcome by a fit of weakness in his office. Mr. Bullock had been known to have a weak heart for the last few years but had continued to attend to business and went to his office at his usual hour on Saturday, apparently in better health than usual. Soon after arriving at the office he left to go to the office of Roy Church and while talking to him he became faint. Dr. Stewart Skinner was hurriedly summoned but before he arrived Mr. Bullock had passed away.

Mr. Bullock had been for years the local manager of the Imperial Oil Co. and won for himself a high measure of esteem both in business and private life. He was a lifelong and ardent friend of the Salvation Army and a member of the Queen Square Methodist Church. He is survived by his widow and two sons, Messrs. Thomas H. Bullock, formerly mayor of St. John, and John F. Bullock.

The late Joseph Bullock was born at Springfield, Ohio, to which place his parents, Mr. and Mrs. Wm. Bullock, had moved from England. At an early age he accompanied his parents to Ontario, where he spent the early years of his life. His father was a prominent lumber merchant in that province for many years. In Ontario he married Miss Elizabeth Duffield, and in 1862 they moved to St. John, where they have resided ever since.

By his cheerful, self-sacrificing disposition, Mr. Bullock endeared himself to citizens of all classes through the community, and the helping hand which he was always ready to extend won him many friends. Despite his advancing years, he has never neglected his business, and looked forward to many years of active life. This morning he was apparently in the best of health, and after his arrival at the office he immediately followed by a fainting fit, from which he never recovered. The body was removed shortly afterward to his late residence, 185 Germain street.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the Minister of Public Works equal to ten per cent. (10 p.c.) of the amount of the tender (excluding the cost of the tender). The tender will be returned if the person tendering declines to enter into a contract when called upon to do so, or fails to complete the work contracted for. If the tender is not accepted the cheque will be returned.

The department does not bind itself to accept the lowest or any tender. By order, R. C. DESROCHERS, Secretary, Department of Public Works, Ottawa, September 16, 1914. Newspapers will not be paid for this advertisement if they insert it without authority from the Department—67155.
