

LECTURE ON CAMPAIGN
IN GERMAN EAST AFRICA

Rev. W. H. Barracough
Speaks on Interesting Sub-
ject at Centenary Church.

Before a large audience in Centenary hall last evening Rev. W. H. Barracough delivered a very interesting lecture on Africa illustrated by about seventy views of various parts of that country. The lecture was divided into two parts, the first dealt with the life and missionary work of David Livingstone and the second part with the present campaign in East Africa, where one Canadian, Harold McLean, son of Commissioner McLean, is serving with the Imperial troops, and the lecture was based on descriptions of the country and battles in letters received by the commissioner. A number of Staff Sergeant McLean's letters have already been published in The Standard and those who read them will appreciate the treat which those in attendance at the lecture enjoyed for they were all splendidly descriptive of life with the troops in that country.

The entertainment was under the auspices of the Women's Missionary Society of the church and the proceeds will be devoted to missionary objects.

Thomas Mason Cogswell, Thomas Mason Cogswell of Le-preux died at his residence on Monday as the result of heart trouble. He is survived by two brothers and five sisters. The brothers are William and Otis, both of Le-preux. The sisters are Mrs. Fred Brown, Mrs. Charles English and Mrs. A. Lomas of Le-preux, and Mrs. George Hampton and Mrs. Fred Hall of this city.

Had Awful Attacks
of Heart Trouble
FOR 50 YEARS.

Diseases and disorders of the heart and nervous system have become frightfully prevalent of late years. One can scarcely pick up a paper but he will find recorded instances of sudden deaths through heart failure, or of prominent men and women unable to prosecute their ordinary business or profession on account of a breaking down of the nervous system. We do not desire to unnecessarily alarm anyone, but to sound a word of warning.

When the heart begins to beat irregularly, palpitate and throbs, has shooting pains through it, it is time to stop and think. To all sufferers from heart and nerve troubles Milburn's Heart and Nerve Pills can give prompt and permanent relief.

Mrs. Frank Arsenau, Newcastle, N. S., writes: "I had awful attacks of heart trouble for the past five or six years, and as I had tried many kinds of medicine without getting any better I decided to give Milburn's Heart and Nerve Pills a trial, and to my surprise I found ease from the second dose, I continued taking them until I had used six boxes, and now I feel as well as can be."

"At the present time my sister is suffering from nervousness and finds great comfort by their use."

Milburn's Heart and Nerve Pills are sold, or mailed direct on receipt of price by THE T. MILBURN CO., LIMITED, Toronto, Ont.

WEAK ANAEMIC GIRLS

Bloodlessness is the trouble of many girls who ought to be full of life and good spirits. Instead they are pale, their lips have no color, they have no appetites, their digestion is poor, and if they walk fast, either in the street or going up stairs they are so tired and out of breath that their hearts beat as if to burst. Almost always such girls are thin, flat-chested, and sallow, with nothing attractive about them. If they do not get better they will have a cough in the winter and then, not unlikely, consumption, that most hopeless of all diseases will develop.

No girl should be like this. She should be plump, rosy-cheeked and full of life, able to walk fast and to stand exertion without being breathless and palpitating. To be in this healthy, happy condition, she must have plenty of good, rich, red blood in it only through the blood that the body can be healthy. And the only medicine that will keep the blood supply rich and red and pure is Dr. Williams' Pink Pills. Their effect upon the pale, weak girl who gives them a fair trial is wonderful. They improve the appetite, backaches and headaches disappear, the glow of health tingles the cheeks, the eyes sparkle and the step becomes light and elastic. Thousands of girls throughout Canada owe their health and attractive appearance to Dr. Williams' Pink Pills and do not hesitate to say so.

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

Alkali in Soap
Bad For the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Don't use cheap and prepared shampoos that contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mild coconut oil (which is pure and greaseless), and is better than the most expensive soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get sterilized coconut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

Appointed Nursing Sister.

Miss Lenna M. Jenner has received a telegram giving her an appointment in a military hospital at Halifax. Miss Jenner is a daughter of Rev. J. H. Jenner of West St. John. Miss Jenner has been in St. John since the first of the year, and is a member of the New Brunswick Graduate Nurses' Association. She is also a graduate of the Winnipeg General Hospital, and a member of the Winnipeg Women's Rifle Association. She leaves on Saturday evening for Halifax to enter upon her new duties.

Had Headache
For Two Years

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health.

Barrie, Ont., April 19.—For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight.

The use of Dr. Chase's Nerve Food changed all this, and now with scores of other Barrie people Mr. Nader is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing headaches, indigestion and all the annoying symptoms of a run-down condition.

Mr. John Nader, 38 Penatag street, Barrie, Ont., writes: "During the last two years I had an attack of indigestion, accompanied by severe headaches. I suffered from loss of appetite and my system became run down. I also lost considerably in weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone, and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

As a spring tonic and restorative to overcome tired, languid feelings and build up vitality at this time of year there is nothing to be compared to Dr. Chase's Nerve Food.

Dr. Chase's Nerve Food, 50c. a box, a full treatment of 6 boxes for \$2.50, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

Blood Food

Right now is when you need a good blood medicine—to overcome impurities in the blood—to supply the elements that enrich the blood—to protect the system against the depressing effects of "spring fever".

Mother Nature, the great physician, has provided this "blood food" in

It is a simple and effective remedy, made from Nature's healing herbs—that was a favorite medicine of our grandfathers' time and is just as effective today. The best of spring tonics and blood purifiers. 25c. a bottle. Family size, five times as large, \$1. At most dealers or prepaid on receipt of price. 20 The Bragley Drug Co., Limited, St. John, N.B.

Dandruff Surely
Destroys the Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arborvitae; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and after a few more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arborvitae at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.
