Rev. W. W. Malcolm gave an address on the Forward Movement in relation to religious education.

## SICK HEADACHES CONSTIPATION

If you have suffered from constipation for years, tried doctors and all the remedies you ever heard of read of without getting relief, if you have been subject to all the miseries associated with constipation, such as sick and bilious headaches, biliousness, specks floating before the eyes, water brash, heartburn, jaundice and the painful, troublesome, internal, bleeding or protruding piles, etc., wouldn't you consider it a blessing to be able to keep the bowels in a good healthy condition and prevent disease getting a foothold on your system.

Milburn's Laxa-Liver Pills are indicated just for this purpose; their regular use relieving the worst cases of constipation.

Mrs. Malcolm McElmerid, Cranston Station, N. S., writes: "I have been sick for a number of years with sick headaches and constipation. I tried all kinds of doctor's medicine, but none did me any good. I tried Milburn's Laxa-Liver Pills, and after taking four boxes I am completely cured and would heartily recommend them to all sufferers."

Milburn's Laxa-Liver Pills are 25c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

## HOW WEAK WOMEN ARE MADE STRONG

Mrs. Westmoreland Tells in the Following Letter.

Harrison, N. Y.—"When my first child was born I did not know about Lydia E. Pinkham's Vegetable Compound and had a very hard time. I read in the newspaper about the Vegetable Compound and when my second child came I took it and was well during the whole time, and childbirth was a hundred times easier. Ever since then I have used it for any weakness and would not be without it for the world. I do all my work and am strong and healthy. I am nursing my baby, and I still take the Vegetable Compound as it keeps a woman in good health. You may publish my testimonial for the good of other women, if you choose to do so."—Mrs. C. WESTMORELAND, Harrison, N.Y.

Women who suffer from displacements, irregularities, inflammation, aches, backache, headaches and nervousness should lose no time in giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, and for special advice write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

## He Can Now Do Two Days Work In One

St. Johns Man Hardly Able to Work at all Before Taking Tanlac.

"Tanalac has not only made me feel strong and healthy, just like a man ought to feel, but it has added fourteen pounds to my weight," was the statement made by John O'Brien, who lives at 48 Condores Lane, St. John's, Newfoundland, in a conversation with a Tanlac representative a few days ago.

"For about a year," continued Mr. O'Brien, "I have been in bad health, so weak and run-down that I was hardly able to do my work. My kidneys were badly disordered and my appetite was so poor that I hardly ever cared whether I even went to the table or not. I had pains all over my body—in my arms, through my back and in my legs. I would startle at first in one place and then in another, and at times such a terrible pain would catch me in the small of my back that I would almost fall to the ground. I was so nervous that I would actually jump and shake and at night I was so restless that I was never able to get a night's rest or sleep."

"I am mighty glad I read about Tanlac in the papers and saw the statement from a friend of mine who had tried it, and I commenced taking it myself. I have taken three bottles in all and I can now say that Tanlac has done for me just what other people say it did for them because it has overcome all my troubles and put me back on my feet with new life and strength. My appetite is so fine that I can hardly get enough to eat and everything agrees with me perfectly. My kidneys are in splendid condition and the pains in my back, arms and legs are all a thing of the past. I am no longer nervous and can sleep sound all night long, and as I said, I have gained fourteen pounds in weight. I believe I can do two days' work in one, I feel so fine all the time, where before I was only doing about one day's work in a week. I am fully convinced that Tanlac is the greatest medicine in the world and I only wish that everybody knew about it."

Tanalac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Adv.

Thos. Harrison, J. T. Lewis, G. F. Seavey.

Elders: Judge Forbes, T. H. Somerville, O. Cameron, P. Campbell, S. B. Hunter, M. P. P., John McIntosh, Kenneth McIntosh.

Afternoon Session.

At the afternoon session Mr. Louis voiced a request from the students of Presbyterian College at Halifax, asking that the churches in the Presbytery endow a scholarship in memory of R. B. Clark, of St. Stephen, and other students who had given their lives in the war. This met with the approval of the Presbytery, and a committee was appointed to secure the amount required.

A call from Chipman to Rev. (Captain) Harrison was set aside, as Captain Harrison intends to accept a call from Black River, Presbytery of Miramichi.

Rev. J. Ross, Superintendent of Missions, submitted his report, which was most hopeful, showing where co-operation was possible between the Methodist and Presbyterian Churches, and in many cases had already been successfully accomplished.

The resignation of Rev. S. P. Prince, of Port Kent, was laid on the table, to be taken up at the March meeting.

Rev. F. S. Dowling gave a good report on home missions. He announced that a Port Chaplain had been appointed and would arrive next week. Rev. Dr. Farquharson.

Sutherland, of Fredericton, led the discussion on the financial objective of the Forward Movement and the following amounts of the \$99,000 required were allotted to the congregations: Chipman, \$1,605; Fredericton, \$5,000; Grand Falls, \$700; Greenwood, \$777; Glasville, \$922; Hampton, \$567; Blackville, \$694; Harvey, \$1,416; Kincardine, \$655; Milltown, \$773; Lorneville, \$394; Moncton, \$6,500; Richmond, \$344; Stanley, \$862; Norton, \$569; Plaster Rock, \$742; Prince William, \$728; St. Andrews, \$1,414; St. George, \$631; St. Stephen, \$2,113; Fairville, \$822; Fort Kent, \$726; St. James, \$669; South Richmond, \$423; Wawcho, \$550; St. Martin's, \$339; McAdam, \$615; Andover, \$262; Woodway, \$322; Edmundston, \$469; Brockton, \$1,106; Buctouche and Shediac, \$331; Cabano, \$180; Sarnia, \$145; New Maryland, \$193; Waterford, \$246; Grand Bay, \$423; St. Francis, \$321; Rileys Brook, \$381; Riverside, \$396; Gasquet, \$192; Sussex, \$1,865; St. John City—First Church, \$1,676; Knox, \$4,500; St. Andrew's, \$5,500; St. David's, \$6,500; St. Matthew's, \$1,051.

In the absence of the Moderator, Rev. M. J. MacPherson, of Stanley, Rev. A. V. Morash, of Sussex, presided at the afternoon session.

IMPORTANT PROMOTION. C. C. MacRae, brother of K. J. MacRae of this city has received important promotion. A Calgary paper says: "Late Inspector of the Royal Bank of Canada for Alberta, Mr. MacRae has just been appointed to the supervisor's department of that institution in New York. It is from the American office that the many branches of the bank in the West Indies and South America are supervised. His work will probably extend to them. His connection with the Royal Bank has been marked with rapid promotion. He came west some years ago and was manager of the branches at Vernon and Nanaimo before he came to Calgary as Inspector for Alberta. He is a brother of Dr. A. O. MacRae, Principal of Western Canada College."

PREVENT CROWDING. Yesterday Commissioner Thornton claimed that the police had been notified and action would be taken against the St. John Railway Company if the conductors persisted in allowing passengers to crowd cars to over-capacity. He said further that the street railway had no authority to use salt and sand on the rails indiscriminately.

## Man Attempted To Pass Bad Cheque

Young Man Made Purchase in West End Shoe Store But Failed to Pass a Worthless Cheque on the Proprietor.

A cool customer visited the Ideal Store on the West Side yesterday afternoon. The young man made a purchase to the value of ten dollars and gave the proprietor of the store a cheque on the Paradise Row branch of the Bank of Nova Scotia. Fearing that there might be some fraud, the proprietor making some excuse, went to the branch of the bank next door and got the manager to telephone to Paradise Row. "No funds," was the reply given in answer to a question as to the value of the cheque.

Meanwhile, evidently seeing that his game was not working as he would have it, the would-be customer asked a saleslady where he could get a cigarette and slipped away. The man was about twenty-five years of age, well looking and well dressed, but evidently has larger ideas than either money or honesty.

**The Quick Way to Stop a Cough**

This home-made syrup does the work in a hurry. Easily prepared, and saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Four 2 1/2 ounces of Pinex (30 cents worth) in a 16-oz bottle, then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This you make 16 ounces—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded.
