

Let not the smallness of your offerings, or latent pride hinder you in the consideration of your offerings to the Lord, who loveth a cheerful and responsive giver. Let each of you give as the Lord has prospered you, and your reward will come. "Freely ye have received, freely give."

By reference to the foregoing statements it will be seen that some \$7,500.00 is required yearly to meet the current expenses of the Quarterly and Trustee Boards; to meet this requires an average of \$150.00 per week, and at present our income will not exceed \$120.00, leaving a deficiency which we trust the congregation will make up by weekly systematic offerings.

The amounts given at present, as will be seen by the following statement range from 5 cents to \$6.00 per week. The Committee feel that all who worship with us should give regularly a portion of their earnings, toward the building up of the Kingdom of Christ in our midst and land, and now appeal to all who are able to give of their substance to this end.
