An account of the wreck of the Belinda.

The following distressing account of the ed. Not only are they called upon from wreck of the Belinda schooner, which left motives of humanity to act with prompt Quebec shortly before the close of navigation ness and decision, but the reputation of our

is from the Miramichi Gleaner :river, and the prosperity of its trade will be om the Miramichi Gleaner:—

Mr. George McKenzie came from Liverseriously shaken when these facts are repool to Restigouche about eighteen months published in the English journals, as they ago, to visit his son, who had come to this will be. country a few years before. He was so far pleased with the aspect of the country and people that he was induced to adopt it as the place of his sojourn. With this view he purchased a farm, erected commodious binet to-day, and rumors of important chang- bly bring intelligence of the attack on buildings, and made all ready for his family es of that Council have been revived. whom, he had chiefly left in his native land. He went to Liverpool last summer to Richmond Examiner of March 3 .- The folbring them out to their new home. They lowing despatch has been received: landed safe in Quebec last fall after a stormy voyage, and took passage in the the steamers had then gone into winter sand bar before Fort McAllister, and was Shaw of the U. S. Navy. and who is with did not follow the Russian but Prussian quarters. For a few days they had a pleasant voyage and had every prospect of soon meeting in one, united family in Resti-soon meeting in one in the C.S. Navy. and who is with the North heart and soul in this struggle, informs me that a project is or foot in England, superintended by Maury of the Prussia should not side with gouche. Their cherished anticipations, howand she is now a total wreck. ever, were soon to be blasted, as the sequel the 23rd November they still enjoyed a most unimportant. favorable breeze, and were joyful at the thought of soon reaching their destined haven of rest. A few hours before midnight they retired to take repose but they were not permitted to rest long, for at one c'clock the next morning the vessel struck on a submarine rock near Marsouin River | 000 men. in the Gulf of St. Lawrence, only about two hundred miles from the shore. It would seem that the vessel was dashed on the rock by perfect carelessness, for at the time the ition fortified by a French officer, and made event happened there was a fair wind and plenty of sea room. As soon as Mr. Mc-Kenzie got his paralized family in a condition to be taken on shore he sprang on deck to provide means to get them safely landed. He was confounded and exasperat- to the U.S. Minister at Salvador. ed to find that the unfeeling captain, Zephirin Bordage, had taken his chest exceed 15,000 quintals. A large portion and some other articles belonging to goes to California. him in the ship's boat, along with all the crew except two boys, and had gone ashore of war St. Mary's, arrived at Panama. without making any further enquiry about the persons committed to his care, or makthe least attempt to save one of them from such impending danger. Mr. McKenzie then called to one of his fellow-sufferers for the hatchet to cut down the mast to ease the laboring vessel, but even it had been taken ashore. He then attempted to cut the ropes with his knife that the sails might be loosened and the vessel put under less pressure, but his efforts were utterly fruitless, for the ropes were all frozen. Those left so helplessly on board were now anxious. ly looking through the gloom of night for the return of their pretended protector with the throng at the station. A salute was also ship's boat to rescue them from their perilous condition, but in vain. Meanwhile the vessel was gradually filling with water, and the passengers had to remove from the cabin and go into the galley on deck. As they to-night.

AMERICAN NEWS!

VICKSBURG.

family were uttered by the plaintive voice of his youngest daughter, crying, Father! Father! Father! which wrung the affection-New York, March 1 .- The Mercury Washington despatch says it is universally admitted that the close of the session of Congress will witness a decided change in ate parent's heart. As he was contending with the raging element, he eagerly caught either his beloved wife or his loving and the policy of the Government. The President has yielded to the advice of Secretary endeared eldest daughter. He was so stunned Seward and Thurlow Weed to propitiate the Conservatives, and thus make the conscription palatable. The measures in view are, first a change in the Cabinet, that will give that he could not tell which one of them he had in his grasp. As he was bearing the object of his affection to the shore a cruel wave came, as if sporting with his distress, Seward and his policy a majority of its members; Chase is to he retained, and if he reand forced him to relinquish his hold. Exhausted, bruised and partly frozen, he at tires Robt. J. Walker is to take his place. length reached the land, and wished for the Second: a restoration of McClellan to some moment, if it had been the will of Procommand to shut the mouths of his noisy. vidence, that the angry billows would close disloyal friends. Third: some concession to daughters, and this youthful boy, besides two others, met with a watery grave. No one can conceive the pangs that wounded the breast of the bereaved husband and tather. In an interval of the conceive the pange of the breast of the bereaved husband and tather. In an interval of the conceive the pange of over himself as well as his wife, three tather. In an instant those whom he held dearer than life were torn from his fond embrace, at the time he was about to place them in a home he had so assidiously pre-

A special to the Mercury dated Cairo, 28th Feb., says the city is full of startling rumors. It is said that on the 26th the famous cut-off was completed, the dredging machine having been at work several days.
It is asserted the gunboats are all through, whose house he took shelter for the rest of the night declares that his socks were not via Union Lake, and are doing mischief in that gunboats have got to the Red River via Lake Providence. There are also reports of serious disasters to the Union force, and of troops and gunboats captured, but

they are not credited. The Herald says rumors were rife in Washington yesterday, that Gen. Hunter was about to be relieved from the command of the Department of the South, and Gen. Burnside's name is spoken of in connection with the succession. It was also said that his head severed from his body, it is supposed certain parties were preparing charges by his head being crushed between some parts of the wreck. Mr. McKenzie had the painful task assigned him of internior his
