## CLEANSE THE BLOOD.

**R** With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. **AYER'S SARSAPARILLA** purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, &c., Liver Complaints, and Heart Diseases. Try *Ayer's Sarsaparilla*, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound 'Sarsaparilla,' and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alternative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

**AYER'S CHERRY PECTORAL** is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.  
Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all druggists and dealers in medicine.

READ WHO SAYS SO:

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N.Y., formerly of the North Baptist Church, Philadelphia:—

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendations will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is 'not a rum drink.'—Yours truly,

LEVI G. BECK.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church:—

Dr. Jackson—Dear Sir—I have been frequently requested to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully,

J. H. KENNARD.

Eighth below Coates Street, Philadelphia.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. O. M. Jackson—Dear Sir—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others.—Yours truly,

WARREN RANDOLPH,

Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.

Dr. Jackson—Dear Sir—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.—Yours, respectfully,

J. H. TURNER,

No. 726 N. Nineteenth Street.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus [N. J.] and Milestown [Pa.] Baptist Churches.

Dr. C. M. Jackson—Dear Sir—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.

COE'S SUPER-PHOSPHATE OF LIME.

MR. COE has received the following letter from the Reverend Mr. Papineau, of the Bishop's Palace, Montreal:—

Montreal, March 2nd, 1864.

Sir,—Having been appointed Superintendent, last Spring, of the garden attached to the Bishop's Palace Montreal, I applied to our esteemed Seaman, Mr. Evans, for a few pounds of Coe's Super-Phosphate of Lime, in order to judge personally of its fertilizing effects as a manure, and to satisfy myself whether it really deserved the high reputation in which it was commonly held. [I generally distrust the reliability of widely advertised articles.] But now, Sir, I deem it my duty to assure you that the success of the Super-phosphate greatly exceeded my anticipations, and that I believe it to be superior even to its reputation. I planted a piece of very dry, hard and barren land with potatoes and Indian corn, manuring a portion with stable compost, another portion with common kitchen salt, and the remainder with the Super-Phosphate of Lime. The crop gathered from the plot manured with this latter substance was far more abundant, and was taken out of the ground fully
