

## SEVERE COLD DEVELOPED INTO PNEUMONIA

DOCTOR SAID HE WOULD  
NOT LIVE.

Next to consumption there are more deaths from pneumonia than from any other lung trouble.

There is only one way to prevent pneumonia, and that is to cure the cold just as soon as it appears. Dr. Wood's Norway Pine Syrup will do this quickly and effectively.

Mr. Hugh McLeod, Esterhazy, Sask., writes:—"My little boy took a very severe cold, and it developed into pneumonia. The doctor said he would not live. I got some of your Dr. Wood's Norway Pine Syrup and he began to improve right away. He is now a strong, healthy child, and shows no signs of it coming back."

Do not be talked into buying any other Norway Pine Syrup, but insist on getting the original "Dr. Wood's." It is put up in a yellow wrapper; three pine trees the trade mark; price, 25 cents.

of course there are bad times, but taking it all round it is all right. I am a homesteader myself, three miles from railway station, and am just starting on my last six months, and then I get Patent in spring, so I don't think any country gives chances like that, as I started with nothing and have kept it going with just my wages. Well, for a description of myself. I am 5 feet 4 inches, weight about 135 lbs., 30 years of age and English. As I shall have lots of spare time this winter, I would like to have a few lady correspondents, anywhere between 20 and 30 years of age. Would like to hear from Old Country girls especially. I hope I won't be disappointed, as all letters will be answered. Hoping to see my letter in print. Will sign myself,  
Little Fellow.

Would Like it Oftener.

Alta., Dec. 20, 1911.

Dear Editor,—Hello! old timers, another one in your circle from the West. Am subscriber to the W.H.M., and like it; too bad it don't come more times than it does, a person finds a lot of sound reading in it from cover to cover, and I always read it through. I like the correspondence column, that's generally where I start to read first, then to the other parts of the paper. Am a young farmer in the south-eastern part of Alberta, and like it very much; have been here for the last eight years. Own a half section of land, as most all the farmers here do, and fine place at that, as you will see. Have lots of hay, more than I need for my stock. We have lots of coal and wood, as I live five miles from the bush. I read some of the letters this evening, and had to laugh at some of them. I see some of the girls detest tobacco, but different here. I like a good smoke in the evening and after every meal, and like all kinds of sport, indoors or outdoors all the same to me, as it's pastime. Well, I think this is enough, or the Editor will kick me out because I'm taking too much of his time. So I will close. Like to hear from some of the fairer sex, if they will write; my address is with the Editor. Wishing the W.H.M. every success, will sign,  
Alberta Rooster.

Fond of Candy.

Dec. 25th, 1911.

Dear Editor,—I have been a reader of your paper for the last two years, for which I thank you. The W.H.M. is a good paper, not because I want to get in the happy circle do I say it, but for the pleasure and instruction I have derived from it. Whilst reading the correspondence column it has struck me that some good friends can be found, so have forwarded you a letter which I trust you will pass along. Next winter I intend to go homesteading, so if anybody would like to come along let them write to me. Now I must give a description of myself, as it will not look right if I do not. I am of a happy disposition, with lots of fun, do not chew, smoke or drink intoxicating liquors, but I eat a lot of candy, in fact a regular "candy kid." I am very fond of dancing, singing and all outdoor exercises; I weigh 140 pounds, fair hair, grey eyes, five feet eight and a half inches high, and have never been turned down for my good looks. Now, girls, I would like to hear from you, and any letters I receive will be answered promptly. Thanking the editor for the space in his valuable paper, I will now close, signing myself,  
K.I.D.

Coming West.

Ont., Dec. 23, 1911.

Dear Sir,—I have been a reader of your W.H.M. for some years now, and find it is nearly impossible to do without it, in fact, I think so much of it that when I am away from home I always have it forwarded to my address wherever that may be. I sent two other letters to you, but I guess they must have found the W.P.B.; but I hope this will fare a little better, as I would like to see it published. I always find great enjoyment reading the correspon-
