

had sent out a call for a meeting
on the 2nd - He said also he
had spoken to Mr Bennett, before
ending the call, & latter approved
It appears Sir Robertson is away
under the weather, & may be absent
a considerable time - I led the
house, but he represented the Government
and our relations of the best

I trust you can allow
your name to go before the Council
to keep understood in advance
that you could be upbraid about
- now all this may ^{be} ^{done} ^{away} ^{from}
future peace, but if carried out would
be good for the Conservative
Party & Canada

Sincerely yours
W. H. Willoughby
