

cents (\$121,827.80). It is further understood that if weather or other conditions render it impracticable or inexpedient for the Province to initiate or carry on any of the project or projects set out in either of said groups it shall be competent for the Province to expend the whole of the estimated cost authorized for that group on the remaining projects in the Group. If in the execution of either of said groups of projects the total estimate cost thereof as authorized by said schedule "B" is exceeded during the term of this agreement and if any unexpended balance of the maximum contribution authorized to be made by the Dominion in respect of the other of said groups be available, the Minister of Labour may, in writing, authorize the application of said unexpended balance against said excess cost but in no event shall the Dominion assume nor pay a percentage of the excess cost of construction and/or maintenance incurred in connection with any project authorized by this Agreement greater than the percentage of the cost thereof originally agreed to be paid by the Dominion under the terms of this Agreement.

3. The Province agrees in placing individuals in employment as aforesaid, and under the Farm Improvement and Employment Plan that preference shall be given to single transients now registered or applying for relief in urban centres.

4. It is understood and agreed that all moneys received by the Province from the Dominion by way of grant, contribution, loan or otherwise, pursuant to the provisions of The Unemployment Relief and Assistance Act, 1936, shall be used solely for the purpose or purposes for which same is, in each case, granted, contributed, loaned or otherwise advanced.

5. The Dominion may appoint a representative or representatives to inspect and report on the execution of projects under this Agreement and the Province shall afford any representative or representatives so appointed every facility for that purpose. The Dominion may if it considers such action advisable
