461

5th Nov. 88.

Sir.

The Dept. proposes taking over from the North West Mounted Police the barracks recently occupied by them at Wild Horse Creek, Rosternay, for the purposes of the proposed Industrial Indian School to be established in that locality. They appear to be well adapted for such an institution, being also reported to be well built and to have afforded comfortable lodging for the Police during last Winter.

Michael Phillips, Esq.,
Acting Indian Agent,
Rosternay,

Indian Affairs, Letterbook,
26 October 1888 - 8 November 1888, (R.G. 10, Volume 4603)
