

C215298

-2-

Other legislation proposed -

The following legislation is proposed by the various departments, but in respect of which no Bills have yet been received:

Agriculture - Amendments to -

The Dairy Industry Act,
The Seeds Act,
The Wheat Co-operative Marketing Act,
The Agricultural Products Co-operative Marketing Act,
The Prairie Farm Assistance Act.

Finance -

C.N.R. Financing and Guarantee Bill
(similar to those introduced in each recent year - to provide for capital expenditures of the Railway).

A Bill to amend the Tariff Board Act.

Usual Revenue Bills - consequent upon tax and tariff changes announced in Budget.

Justice -

An Act to amend the Criminal Code.

Mines and Resources -

Bill respecting the carriage of game. (The purpose of this Bill is to enable the provinces to enforce collection of provincial royalties which can now be evaded if the furs are taken out of the province in which they are trapped before the tax has been paid).

Bill to amend the National Parks Act.

Munitions and Supply -

Amendments to the Act creating the Department of Munitions and Supply.
