

Three pictures, most of them taken at
Kingman, are very good. I like especially
the one of you in the small group. Here
I checked an extra one of the large group
for Mr. Patterson. I was delighted when
I heard that she, Jean? Gordon was at
the Coliseum on Friday. You gave a
wonderful address and with dignity
that I recall very clearly. I like
parts which are showing you to be
It was so good of you to phone me in
the morning, and again when you came
home, and that had been very good.
Needless to say, you have been very
kind.

Of your own election, I of the
surprise that was to many people.
It means so much at the present
time, that a man with a level
head, should lead the government.
I am especially glad for you sake.
Mrs. St. Lawrence's will be to make
her little speech! She will be a
great help to her husband. As you
said, you have your head to
conserve a wife! The Convention
must have been a great show,
I'm wondering if some of the
delegates are at Vancouver today.
You certainly were lucky in
the weather! If you had had
last year's August, you would
all have been weeks!
