One of our Maple City young men drove to Wallaceburg via the town line, Sunday. He says it took him three hours for the drive where formerly it only took two hours. The snow is banked on the road in several places fully five feet high, and between the 2nd and 3rd concessions there are cuts through the drifts to drive through, the full length of the concessions.

Mr. and Mrs. Taylor will reside on Houston street.

The interested parties in the arbitration between Jack Smith and Perry and Alex. Densen on the one side and the council of Raleigh on the other, met this afternoon at Harrison Hall. The object of the meeting was to see if a settlement could be reached without further arbitration. There is a strong sentiment evidenced on both sides for settlement. The arbitration of the dispute over the concession line between the 4th and 5th concessions from Blomfield to the city limits.

F. E. Powell, a divinity student of Huron College, took the services and preached both morning and evening in Holy Trinity Church last Sunday. His morning effort was based on "The Precious Jewels," and was very favorably received by the congregation. Mr. Powell, amongst other announcements, said that Principal Waller, of Huron College, would take the services and preach both morning and evening, and administer the holy communion at the morning service next Sunday. Mr. Powell is a very promising student and will soon be through his course of studies at Huron College.

PUBLIC NOTICE

Ready for Construction—The Windsor, Essex, & Lakeshore Rapid Railway Company

The Windsor, Essex & Lakeshore Rapid Railway Company is now ready to receive tenders for the construction of its proposed road from Windsor to Chatham by what is known as the "Shore Road," passing through the towns of Essex, Kingsville, Leamington, Wheatley, thence north to Tilbury, thence west by the Middle Road to Buxton and thence to Chatham, according to the charter right as granted by Special Acts of the Legislature of the Province of Ontario.

All tenders must be made in writing and addressed to the General Manager, Philip Heesline, 1020 Chamber of Commerce Building, Detroit, Mich.

Vermont Well Pleased.

The Manchester, Vt., Journal of February 26 prints in its editorial column the following:

THE RAILROAD CHANGE GOOD FOR MANCHESTER.

The first important change on the Rutland Railroad since the Central Hudson Company took control went into effect to-day. The flyer which heretofore left Rutland at 2 p. m. and arrived in Troy at 420 will run to Albany, instead of terminating the trip at Troy. This does away with transferring passengers to the local belt line train for Albany.

This will prove a great convenience to travellers as the connection with the fast trains from Albany will be more certain and the time to New York and the West shortened. No doubt this change will soon be followed by closer reverse connections and additional conveniences and the summer schedule will be much improved and time shortened. Indeed it is with pride that we can now write:

Manchester-in-the-Mountains, Vermont.

On New York Central Lines.

This hope and ambition of the late Franklin H. Davis is at last realized. Would that he might have lived to enjoy it.

After recovering from a severe case of rheumatism I was so badly crippled with rheumatism in my hands that I could not raise them. I rubbed with the mineral water I found in a week's time I could use them as well as ever, and now they are entirely well. This I attribute to the use of the water.
