

1833. 9th Month, **SEPTEMBER.** Begins on Sunday.

I know 'tis bright — 'tis beautiful ! — but yet
 I ne'er could look on Autumn's golden leaf,
 Her robe of changeful dye, and not regret
 That vernal loveliness should be so brief.
 Who sighs not over summer's fading rose ?
 Although around us other flowers are wreathing,
 Whose bosoms richer, gayer tints disclose,
 And with whose fragrance every gale is breathing.
