

The study-rooms and chambers are provided with the staple articles of furniture—chairs, tables, bedsteads, mattresses, pillows wash-stands, etc., etc.

All Baptist students attending University College will be permitted to room and board in MCMMASTER HALL, so far as the rooms may not be needed for ministerial students. It is intended to make McMaster Hall a Students' Home, abounding in comfort and in pleasant associations, with the safeguards and attractions of religious influence.

In addition to the charge of \$3.00 per week, students who have not the ministry in view pay for the lighting and care of rooms, for the first term (Oct.-Dec.) \$12; for the second term (Jan.-June) \$20.

No deduction will be made for absence except by special arrangement or in cases of protracted illness.

Opportunities for Preaching and Mission Work.

Toronto has now eleven Baptist churches and mission stations. These furnish students with occasional opportunities to preach. Interests should be planted in many of the surrounding towns and villages. Six railroads centre in the city, affording ready access to the country in every direction. No student whose heart is in Christian work need lack opportunity, in a city of 100,000 inhabitants, to preach Christ from house to house, to visit the poor, to distribute tracts, or to teach in Sunday School. The College will aim to unite theory and practice.

The demand for the services of the students for churches and for mission fields during the summer months is at present considerably beyond the supply. Students earn enough in this way not only to meet the expenses of the summer, but with such assistance as is given by the Board, to go through the succeeding Session free of debt. A limited fund has been put at the disposal of the Faculty for supplementing salaries received for work on mission fields up to a certain maximum. It is intended that the salaries thus supplemented shall be sufficient to meet all the reasonable wants of students.

The City of Toronto
