19th June.
The following article is warranted to cure PILES, RHEUMATISM, all SORES, &c. or no pay taken for it.

TO PHYSICIANS AND PATIENTS.—The Blind Piles, said to be incurable by external applications.—Solomon Hays warrants the contrary. His Liniment will cure Blind Piles. Facts are more stubborn than theories. He solicits all respectable Physicians to try upon their patients. It will do them no harm, and it is known that every Physician who has had the honesty to make the trial, has candidly admitted that it has succeeded in every case they have known. Then why not use it? It is the recipe of one of their most respectable members, now deceased. Why refuse to use it? Because it is sold as a proprietary medicine? Is this a sufficient excuse for suffering their honest patients to linger in distress? We think not. Physicians shall be convinced that there is an humbug or quackery about this article.—Why then not alleviate human suffering? If they want try it before, let them after all other prescriptions fail. Physicians are respectfully requested to do themselves and patients the justice to use this article. It shall be taken from the bottles, and done up as their prescription, if they desire.

SOLOMON HAYS.

PILES,—DROPSY, SWELLINGS, ALL SORES, RHEUMATISM.

It is absolutely asserted, on the most positive proof, that the above complaints are cured and cured by the timely use of Hays' Liniment. It is impossible to find room in this paper to present those proofs which are conclusive and convincing. They may be seen at length where it is sold.

GENERAL DUFF GREEN.

So well known as Editor of the late Washington Telegraph, is referred to for the truth of the following:—General Green a few days since asserted in a public place, that he had used Hays' Liniment for the Piles, and that the effect was very astonishing, and that he felt it his duty to make known as far as in his power, to his suffering fellow men that such an extraordinary article was in existence.—He said he would cheerfully lend his name, and aid in extending its usefulness. This is but one of we may safely say hundreds who have given like testimony.

SOLOMON HAYS.

WONDERFUL!!
An Astonishing Fact!—Hays' Liniment has now been used in some thousand cases, and no failure can be found. It will cure every and all cases of Piles. No charge without success.—Apply at JOHN MUSSON, Agent for Quebec, and at Messrs. SIMS & BOWLES, BEGG & URQUHART.

Caution—None can be genuine without the written signature of Comstock & Co.

LOOK OUT FOR IMPOSITION.
If a base attempt has been made to imitate Hays' Liniment, and infringe upon the copy and other rights of the proprietors. Never buy Hays' Liniment, unless it has a splendid engraved wrapper, and the written, mind written signature of Comstock & Co., all others must be impositions.

Any person vending any other article, by the name of Hays' Liniment, either by wholesale or retail, will be prosecuted for a violation of our copyright. The oath of Mr. Hays may be found copied in our inside wrapper, swearing that no other person knows any of the component or essential parts of this Liniment—and that he will not reveal the secret for twenty years.

HEADACHE.

DR. E. SPOHN, a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEADACHE, has the satisfaction to make known, that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and labouring under distress which they might not only alleviate, but actually eradicate by the use of his remedy. It is the result of scientific research, and is entirely of a different character from advertised patent medicine, and is not unpleasant to the taste. To be had of

L. I. SIMS, MUSSON & SAVAGE-BEGG & URQUHART.

DR. BRANDETH requests a perusal of the following article:—

LIFE AND DEATH,

Every thing has two distinct principles to its nature; one

THE PRINCIPLE OF LIFE

THE OTHER THE PRINCIPLE OF DEATH.

So long as the principle of Life predominates, Health is enjoyed. When the principle of Death, sickness takes place. How is this accounted for? By the principle of Death, I mean the principle of decomposition or decay, which is each hour going on in the human frame from the hour of birth, to that of our final exit. While the natural outlets—the pores—the bowels—and all other directories of the body, discharge these decayed particles as fast as they are generated, we are in a state of health; we are free from the presence of the disease.

When, from breathing an impure atmosphere, living in a vicinity of swamps, or when we are in the constant habit of coming in contact with bad smells—effluvia arising from obnoxious accumulations of animal or vegetable bodies in a state of putridity, being infected from a living body under the influence of disease in a malignant state; or sedentary occupation; or, in short, any cause which promotes decomposition faster than the stomach and bowels and the other excretories can remove, naturally; we are then in a state of disease. And should the cause which produces this state of the body remain, and nothing be done to drive the accumulated and accumulating impurities out of the body, the principle of death or decomposition, will become paramount, and the last glimmering of life depart from the once animated clay.

How then, shall we counteract these death dispensing influences? How?

PURGE!—Yes—I say Purge! The magic is that word shall you be indolent, if the hand or brain can accomplish so mighty an explanation. Yes, purged be that pain in the head, the back, the bowels, the foot, the stomach, the side, the throat. Does it arise from internal or external cause,—I still say purge!—For know this self-evident truth, that pain cannot exist, save by the presence of some impurity—some deposit of decomposed particles upon the organ or part where the pain is seated. And purging discharges this impurity, the bowels and continuing the practice, will cure every complication of disease; and will prevent any one from becoming seriously indisposed; even when in constant contact with the most malignant fevers which cannot by possibility seriously affect the body, if we are continually careful to preserve it in a pure state, by frequent and effectual purgation. Hippocrates says, "Purgation expulses what must be expelled, and patients find relief; if on the contrary, they are tormented by purgation, it is a proof there are yet matters which must be expelled."

The subscriber of this has resided in every variety of climate, and by always purging on the first appearance of sickness, has enjoyed for the last ten years, uninterrupted health. For we may call such the state of him who is never sick more than 6 or 8 hours, about the time it takes to secure the effect of a purgative. The purgative I make use of is my grandfather's pills, and they are, to my certain knowledge, the most judiciously balanced purge in existence. I have used them for 8 months daily, in doses of from 10 pills per day, to satisfy myself as to their innocency. It therefore, cannot be doubted. It is my opinion, that any person, be he ever so prostrated by disease, provided he is capable of taking exercise at all, may lengthen his life to 60 years, by continuing to assist the natural functions with the **BRANDETH VEGETABLE PILLS.** Death never can take place until the Principle of decomposition puts out the lamp of life. And that would seldom be before 60 or 70 years, was this principle of purgation always resorted to on the first appearance of sickness.

In the hope that these remarks may be of some service, I am the public's obedient servant,
D. BRANDETH, M. D.

Great caution is required to procure the genuine Brandeth Pills. Druggists and Chemists are never in any place appointed Agents by Dr. B. All his authorised Agents have an engraved certificate of agency, signed by himself; unless this certificate can be shown, do not purchase. This caution is absolutely necessary to guard the public against spurious Pills.

DR. BRANDETH'S PILLS CAN BE OBTAINED CHEAPLY OF **FREDERICK WYSE,** No. 3, Palace Street, Upper Town, Foot of Mountain Street, Lower Town.

MISS HILL, Organist of the Saint Patrick's Church in this city, BEGGS to intimate to her friends and the public, that she is prepared to receive Pupils on the

CALEDONIA SPRINGS. THE favorable opinion I formerly entertained of the waters of the Caledonia Springs is MORE THAN CONFIRMED, as we from the benefits personally derived from its use, as from what I observed of their effects on others. The water should be drank in moderate quantities before breakfast, and persevere in for some weeks at least.
