

Children's Department.

A Smart Dog.

One afternoon a group of little children were playing on a pier which ran far into the water of a deep lake.

While engaged in a game of romps one of the boys stepped back and fell into the water. His little friends cried loudly for assistance, but no one came.

As he was sinking for the third time, however, a noble Newfoundland dog rushed down to the pier, jumped into the water and pulled the little boy out.

The children now divided into two bands. One was to take the rescued child to his mother and father; the other was to lead the dog to a baker's shop, where he was fed on cakes until he could eat no more.

The next afternoon the same group of children were playing on the pier. The brave dog came down to them with many friendly wags and nods.

The children stroked and petted him, but offered no refreshments. "Why do they give me nothing to eat?" the dog asked himself. "Ah, I see! it is because I have pulled no little child out of the water to-day."

Upon this he went up to a little girl who stood near the edge of the pier, and gave her a gentle push into the water. Then he sprang in after her and gravely brought her to the shore. Of course he was treated to cakes again.

But on the next day the children were forbidden to play on the pier, so he had no further chance to earn his supper by rescuing a child from the water. Was he not a smart dog?—*Our Little Ones.*

DEATH.

WADSWORTH.—August 28th, 1890, at Weston, Ontario, Canada, William Rein Wadsworth, formerly of Essex, England.

MISS HELEN R. SINCLAIR, of Ninette, Man., writes that she has used Burdock Blood Bitters for loss of appetite and headache with the greatest benefit and heartily recommends it. Her experience is shared by thousands. B.B.B. is a specific for headache.

A DAUGHTER'S INFLUENCE.—I had a very severe attack of bloody diarrhoea and was persuaded by my daughter to try Dr. Fowler's Extract of Wild Strawberry, which I did with great success, as less than two bottles cured me. It is worth its weight in gold. MRS. MARGARET WUJN, Pembroke, Ont.

St. Leon Water

BEATS EUROPE AND AMERICA.

W. E. Bessey, M.D., C.M., L.R.C.P.S., writes
I have no hesitation in recommending St. Leon
as superior to any other water known to me, not
excepting the celebrated Waukesha, of Wisconsin,
and Carlsbad, of Germany, as a remedy for the
Uric Acid, Diathesis, Gout and Rheumatism, and
Diseases of Kidneys, including Diabetes, Melitus
and Bright's Disease, when freely used. To per-
sons in health it is an excellent regulator and
health preservative, as well as an agreeable
beverage. Address—
