There is Danger in Delay

This is true in many affairs of life, but especially is it so regarding life insurance. The baneful habit of procrastination has been responsible in depriving many a family of the benefits of the protection to which it was naturally entitled. Life and health being very uncertain, delay in the matter of insurance is fraught with much danger.

Now while in health and strength, and before it becomes "too late," is the time for you to procure a policy from the

A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

LIFE.

O God!
How beautiful it is to live! To breathe
Air which is life and sweetness, and to feel

Warm air breathe on me;
To breathe in fragrance—what? I do not know,

But that it is all sweetness!
To hear a thousand songs and rustling sounds,

I know not what,
But that they are all music!
To see unnumbered shades of color pass,

Changing in shade and color as I look,

Unnumbered forms as well, which pass and change,
And all in harmony, soft, tender, beautiful,—

And to enjoy all these the while I live!

How beautiful it is to be so strong,
Yet need not to be strong!

Ready to sleep if need were,
Yet not to sleep.

Willing to eat and drink if there were need,

O God!

And yet to need not drink or meat!
How beautiful it is to live in health!

A Good Investment

apart from the protection afforded, is secured under a Participating Policy of the Great-West Life Assurance Company.

One of the Policyholders—a prominent Western Wholesaler—writes:—

"I have just received your cheque in settlement of my Policy and find the result of my investment is that I have received back all the money paid for premiums with compound interest at 3 1/2% or more than a Savings Bank would have allowed, in addition to Insurance for 15 years for the amount of the Policy. Such satisfactory results should convince those taking out Insurance now of the advantage of being able to have their funds invested for them by men with such long and successful experience as the Directors of your Company have had."

High interest earnings—a favorable mortality—and low expenses have made such results possible.

Ask for information, stating age.
