

ATLAS PORTLAND CEMENT

"THE STANDARD BY WHICH ALL OTHER MAKES ARE MEASURED"

Cement must not only be good once, but good all the time. What you buy today must be of the same quality as that bought last year, tomorrow or next year. Occasional goodness is not enough.

The absolutely uniform quality of Atlas Portland Cement is only one of its great virtues. "Atlas" stands for purity, for fineness and for highest grade. For building a feeding floor, a cistern, a root cellar, a watering trough, a chicken coop or a horse block, get Atlas Portland Cement, then you can be sure of good results.

"Concrete Construction About the Home and on the Farm"
Our free book for farmers

tells how to make all of the improvements needed about the farm. Everything is so clearly illustrated and described, that the farmer can do the work himself. Send for the book today, and read it. It is free.
