BRITANNIA LIFE ASSURANCE COMPANY.

Do. 1, Princess Street, Bank, London.

CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, and Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended the Institution, has induced the Directors to REDUCE THE RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits of Life Assurance at much lower Rates of Premium than those of any other Assurance Company in the world.

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea, and to other parts of North America without affecting their interest in their respective Policies.
