BRANTFORD LOST BOTH GAMES TO ST. THOMAS

Pitcher Gero and Secretary of Club Get Into Wrangle—Red Sox Tied With Hamilton for Cellar Position.

ST. THOMAS, July 27.—The Saints made it three out of three from Brantford on Saturday by winning the double header. The first was a sea-saw game, with St. Thomas coming from behind and winning out by a 10 to 7 score. Gero started for Brantford and his teammates secured an early lead for him, and everything looked favorable for a win, when the Saints secured four bingles, a walk and the Red Sox pulled an error allowing St. Thomas five runs, which tied the score. The next inning three hits in a row gave the Saints a two run lead. The last runs came in the eighth on three errors, a hit and a sacrifice. Howick was touched up often and hard but for the good fielding of the Saints, combined with clotting, might easily have lost. In the first contest, Deneau's mar secured four runs in the third. Howick passed Ostrich. Lacroix's bunt went safe. Howick pegging to first badly. Gero also drew a base on balls Long forced Ostrich at the plate. Lacroix scoring. Dudley was safe on McNellis's boot. Kopp singled and stole, taking third on Lacroix's poor throw. Hadley sent him in on a sacrifice fly. In the next innings Inker led off with a hit, and scored on singles by Kustus and

Cosma, the new heavy hitter from Michigan, who Rube intends to cover the third sack arrived in the city this morning and will likely enter the game to-day.

A.O.F. Won From Paris

The Boys From "Gay Paree" Got Only Two Hits Off Leonard.

It may be that Paris can boast of a hockey team that can trim a team that represents this city, but the same cannot be said of them in regard to the game of baseball. Paris' came down to our city on Saturday with the idea of playing the A. O. F. team, and went back to their home town a wiser team by far, which is to say the A. O. F. boys trimmed them by the score of 12 to 1. The Paris boys being completely outclassed in every department of the game. The outstanding feature of the game was the sensational pitching of "Bobbie" Leonard, that is for a youngster. He struck out no less than 11 men and allowed two hits in nine innings and only issued three walks. One thing that the Paris boys have not got and that is infield team work, on a number of occasions there was collision of players after the same ball. The hitting star of the game was Radcliffe of the local boys being at bat five times, scoring three runs and getting safely four times and fielding faultlessly without an error. The only player who went hitless during the whole game was Ward, getting to first on an error, and had one assist and one put out at third base. Stock at shortstop for the visitors looked the best, he securing their only run of the game and played a nice game in the field having one error on a hard hit grounder which was too hot to handle. One notable thing of the game was that not one A. O. F. outfielder had a chance to look after during the whole game. As the box score will indicate the visitors were the biggest error makers having eight while four Paris batters got on the paths on errors four times.

Sporting Comment

It is not a very creditable advertisement to a city to have one of the club's pitchers endeavoring to bite the ear off the club secretary. We hope the press despatches this morning concerning that St. Thomas melée are greatly exaggerated if not entirely untrue. The only race Brantford is interested in just now is the dash for the cellar, but Hamilton by dropping both games Saturday beat us to it. Ostrich was the weak link in the games at St. Thomas Saturday, Cosma having failed to report from Toledo. Ostrich in the games here last week looked like the old New England stuff Amby Kane used to pull off. Wherever Brantford fans hear of a player coming from Boston, Brooklyn, New London, etc. they prepare themselves for a joke.

Cochshutt's Game Win

The results of Saturday's matches in the Brantford and Paris Football League were very much as expected, the stronger teams in each instance going home with the points. The only result at all surprising is that a Mohawk, where Cochshutt's manager to get a point at Tutela's expense. Tutela had anticipated taking both points without a great struggle, but they found Cochshutt's were made of sterner stuff, refusing to yield the second point even though the Park boys held a lead through the first half. The Tutela forwards had an off day. The Duffs held the majority of the three goals scored in their match with Holmedale, and they just managed to scrape through with this lead. It was a good fast game to watch as both teams were pretty well matched. Paris added to their list of home wins and the Wanderers have another defeat tagged to their record. By the only goal of the match, they lost another performance was a great improvement upon recent form. The P. S. A. team met their superiors in the Sons and buckled too a they usually do. They did not surrender the points however, without a struggle and the Sons got the game with a splendid rally. The warnings of the Executive have an effect upon Saturdays play for no scene marked the four encounter in Fopball circles on the various parks of the city. They were good exhibitions of clean manly sport.

WANDERERS VERSUS PARIS Result: Paris 1, Wanderers 0. The above match was played at the Recreation Park on the 25th inst. before a moderate crowd, the Wanderers playing the same team as advertised with the exception of Little, their regular centre half. Referee called the teams together at 6:30 and the Wanderers losing the toss had to kick with the wind and sun against them. The game started off a bit lazily but after a time both teams got settled down and it became very fast, both goals being visited in turn, each team playing for all they were worth and striving for a goal. After 35 minutes play Paris scored with a very fast shot at close quarters which beat Wanderer's goal tender. Play continued very fast until half-time arrived with Paris leading 1 to 0. At the restart the Wanderers got the pace with the determination of getting on level terms and were playing some very pretty and football and some very good opening were missed. After about 1-4 hour's play Bonner put in a shot which all but beat the Paris goal tender, saved it by falling full length on the goal line and just turning it round a corner, giving away a corner. Nothing became of this and the ball was taken to the other end of the field when one of the Wanderers backs hit the misfortune to handle it, the Paris centre half took the kick and put a dandy kick which struck the crossbar and rebounded into play and was soon chased down towards the her goal. Wanderers were playing better game and held the Frenchies down but try as they could they could not score. Paris goal being very safe fact both goalers were, and they he the whip hand until time arrived w
