NO HIT-OR-MISS PROPOSITION

Toss the coin, "head I win, tail you lose." No man can count on winning or losing in the game, but in business he must be reasonably sure to continue and improve his trade. CLASSIFIED ADVERTISING is no game of chance, no hit-or-miss proposition. You can always depend on your advertising paying according to the nature of the ad, and the number of insertions used. Be on the safe side—take no chances on the way the coin will turn.

If you are in the market as a buyer or seller we cannot give you any better testimonial than to turn to the CLASSIFIED DEPARTMENT of the COURIER.

The Breeding Place of Defective Vision

is in very many cases the school-room.

Present day methods of education require concentrated vision for long periods at a time at an age when children's eyes are especially susceptible to injury from eye strain.

School children's eyes should be examined at frequent intervals.

Many cases of "backwardness" or "mental deficiency" may actually be traced to defective vision.
