TRUE BILL IN

Percy Martin, Indian, Must Face Trial on Manslaughter Charge.

True bill upon both counts of anslaughter and assault, doing grievous bodily harm, were returned by the Grand Jury against Percy Martin, Indian, at the opening ses-sion of the Fall Assize Court House building before Hon. Mr. Justice Sutherland.

In his address to the grand jury Mr. Justice Sutherland emphasized the three purposes and duties of the jury, the deciding whether . a true bill should be returned against the persons indicted before the court, the inspection of the public buildings of the city and the submitting of report upon the latter. He instructed the jury into the manner of their ivestigation of the case, pointing out that two indictments were laid gainst the accused man, Percy Marn, and that true bills might be brought in upon both charges, man-slaughter and assault with intent to do bodily harm, upon either charge or upon neither, as the jury saw fit. Justice Sutherland also instructed them in the manner of the inspac tion of the public buildings and institutions of the city.

The jury then retired for the pur-

of deliberation, and the calling of the petit jury took place. The civil case of Robinson vs. Berry was then proceeded with, A. L. Baird appearing for the plaintiff, and E. R. Read for the defendant.

The plaintiff claimed that a contract existing between the two par-ties had been broken by the defendant. After a lengthy hearing of evidence, judgment was reserved by Justice Sutherland. At 4.20 the Grand Jury re-entered

the court room, rendering a true bill in both counts against Percy Martin and then retiring once more for the purpose of proceeding with their inpection of the public buildings of the city. Arraigned in the dock, Martin

pleaded not guilty to both charges against him and was remanded for
