in moderation, really knows nothing about the ease and comfort with which a large quantity of work can be done

THIS IS THE SMOOTHEST AND EASIEST RUNNING MACHINE MADE. It is noiseless, strong and so well constructed that it is never out of repair, and will pay for itself in a short time.

It is said that the Local Government wished to charter the steamer Bridgewater last week to make three or four trips from Halifax to Yarmouth. Owing to a large local business to Bridgewater the contract could not be accepted by the owners of the steamer.

A new chair is to be established at Acadia to be called the G. P. Payzant Professor of Hebrew Language and Biblical Literature.

SHEFFIELD MILLS

This place has not said a word for a long time, but we are still alive.

The farmers are very busy putting in their crops and fixing the public roads.

The Baptist Church at Upper Canard, is receiving thorough repairs. It is being lined with metal and some say will look the nicest of any church in the valley.

Miss Harriette Walsh of Bridgetown, has been visiting her friends, Miss Ellis and Miss Burgess.

Miss Abbie and Lina Burgess of Wolfville, spent last Sunday with Mrs. John Burgess.

The station has received a fresh coat of paint which has greatly improved it.

Mr. Arthur Eaton left a short time ago for Boston where he obtained a first class position in a gents furnishing store.

Mr. Eugene Ellis made a short visit last week with his parents.

Fred Burgess has purchased from his father his favorite horse, Jack, for a large sum of money.

Mr. and Mrs. Stephen Burgess left on Wednesday for the Buffalo Exhibition, where they will spend a short portion of the summer.

The store at the Mills is now vacant. Here is a grand stand for a young fellow with lots of push and enterprise.

Mr. Howard Burgess who left for Toronto to visit his relatives, has obtained a first class position in a Broker's office and is getting big pay.

Mrs. Joe Burgess has gone to Bridge town, to spend the summer with her friend, Miss Walsh.

Our school as usual gave a grand entertainment on Empire day. The teachers, Mr. Clement Vaughn and Miss Borden deserve much credit for their careful training. Never before has the school showed so high standing.

June 5th, 1901. K.

GRAND PRE

Mr. Lavers, St. John, representing the North American Life Insurance Company, was here last week. He stopped at Clear View.

Mr. and Mrs. Hill, Ottawa, are visiting Mrs. Hall's sister, Miss Emily Mumford, who is very ill.

Miss Blanche Curry, Boston, is visiting her sister, Mrs. Geo. A. Harvey.

H. W. White and wife came from Halifax last Friday with a carload of furniture and moved into Delamere Cottage. The empty house looks much more cheerful with occupants again in it.

A number of the congregation of the Methodist church met in the church yard Monday morning and cleaned up and leveled the ground in front of the vestry, trimmed the trees, repaired the fence and made other long needed improvements. The quarterly meeting was held in the Parsonage last Saturday evening and a unanimous invitation voted Rev. F. Friggie, Mahone Bay.

The district meeting for Windsor district will be held in Hantsport, June 12th and 13th. The church financially is in a healthy condition. Mr. Langille will be paid his salary in full before leaving the circuit.

A vote of thanks was presented to Mr. Patterson and A. V. School for a donation of \$17 towards the salary, raised by the school at the entertainment on the evening of the closing. Mrs. Langille with her usual kindness treated the board to refreshments at the close of their arduous labors.

A. McN. Patterson returned from Sackville and Halifax last Friday. There will be a change in the staff of teachers next year. Miss Fulton will return and will be associated with the brother's Fashay who have been engaged in place of Messrs. Tait and McGill.

The elder is an experienced teacher at Sackville and his brother a clever graduate of the University.

There was a brilliant illumination in Grand Pre Sunday night between 11 and 12—the old building opposite Dr. Chipman's was burned to the ground.

It was used as a sort of shed and hay loft and was not ornamental. It was empty and so old the origin of the fire might have been "spontaneous combustion."

It belonged to Jas. Leard Esq. and there was no insurance. The building was originally a dwelling house erected by one of the settlers from New England, after the expulsion, shortly after 1760.

There is a prospect that Messrs. North & Lowe will build a warehouse at this section this summer to be ready for the apple crop this autumn. The trees are full of bloom and there is every appearance of a full crop if so much dull and rainy weather does not interfere with fertilization.

Miss Crowe will have a public examination in her school this afternoon.

Dr. Harris, Yarmouth, Mr. Feltus and another man interested in horses were at the Parsonage yesterday. Good driving horses are in demand and held at high figures.

Wednesday June 5th, 1901.

The Government of Canada have despatched a representative to South Africa to study the trade capabilities of the country, with a view to opening up and extending markets for Canadian products there, when the opportunity occurs for so doing.

Crutches Discarded

Mrs. Wells, of Mochelle, Annapolis, Annapolis Co., writes:

May 8th, 1900

"I am an old woman, nearly eighty years of age. Sometime ago I fell and injured my hip. I was afterwards troubled with Sciatica; at times my sufferings were intense; I could not get about my room without the aid of a pair of crutches. I tried many remedies; none did me any good; some of them made me worse. At last I read of Egyptian Rheumatic Oil and tried that. I am happy to say that it has given me great relief, removing the pain and enabling me to move around much better than I could. I think Egyptian Rheumatic Oil a splendid liniment for use in cases of Rheumatism."
