MEN'S DISEASES

There is seldom a day that we are not consulted in regard to a condition that, if we were to have seen it in its early stages, the sufferer would have been relieved, cured and saved considerable expense. This we consider is due to lack of knowledge on the part of the doctor who has previously treated the case; therefore, we say to you, if you are suffering from any disease or condition peculiar to men, or if you have been a victim and have been disappointed in not getting a permanent cure elsewhere, we would ask that you come to our office for personal examination or write us for a Question Blank for Home Treatment. We will explain to you our SYSTEM OF TREATMENT, which we have originated and developed after our whole life's experience in the treatment of special diseases of men. We will give you, FREE OF CHARGE, an honest and scientific opinion of your case. If we find you are incurable we will honestly tell you so. If we find your case curable we will give you a written guarantee to cure you or refund you your money.

—YOU CAN PAY WHEN CURED—

We cure NERVOUS DEBILITY, VARICOCELE, STRICTURES, BLOOD AND SKIN diseases, PROSTATIC troubles, BLADDER, KIDNEY and URINARY diseases.

Question List Sent Free for Home Treatment. CONSULTATION FREE.

W. A. Muir, of Lima, O., says: "I was one of the countless victims of early vice at 15 years of age. The drains on my system were weakening my brain as well as my sexual and nervous system. For ten years I tried scores of doctors, electric belts and patent medicines. Some helped me, none cured. I was giving up in despair, in fact, contemplating suicide when a friend advised me as a last resort to give the New Method Treatment of Drs. K. & E. a fair trial. Without confidence I consented and in three months I was a cured man. I was cured seven years ago—am married and happy. I heartily recommend Drs. K. & E. to my afflicted fellow men."

We treat and cure Varicocele, Emissions, Nervous Debility, Seminal Weakness, Gleet, Stricture, Syphilis, Unnatural Discharges, Self Abuse, Kidney and Bladder Diseases, and all diseases of Men and Women.

NO NAMES USED WITHOUT WRITTEN CONSENT. PRIVATE. No medicine sent C. O. D. No names on boxes or envelopes. Everything confidential. Question list and cost of treatment, FREE.

HALF CURE IS DANGEROUS.

When you get a Cold, La Grippe, Influenza, do not be satisfied with something to check it.

The greatest danger is in the lingering results of a half cure.

Many a life history would read different to-day if that severe attack of Cold and La Grippe had been properly handled. A hard cold will settle in the weakest part.

You have been told to "hitch your wagon to a star"—that Nature will assist you. That's all right. There are times, however, when you should assist nature, and the spring is one of these times.

Nature is now undertaking to cleanse your system—if you take Hood's Sarsaparilla the undertaking will be successful, and your complexion bright and clear.
