No. 23

Pleasant View Jack

White and brown; calved Aug. 20th, 1919.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929 (see No. 23).

Dam—Vera 45493.

Sire of Dam—Lampshade 30152.

Dam of Dam—Queen of Elaida 37378, with 4-year-old record in R.O.P. of 10,087 lbs. milk, 440 lbs. butter fat.

This is a very nice calf, from an extra good breeding. His dam at Brockville Exhibition carried off several first prizes, as you see has a good record, testing 4.36. This will make a good bull.

No. 24

Clara of Pleasant View

White with brown spots; calved Sept. 10th, 1918.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929 (see No. 23).

Dam—Vera 45493.

Sire of Dam—Lampshade 30152.

Dam of Dam—Queen of Elaida 37378 (see No. 24).

Here we have another nice heifer to offer, of the same good breeding. Any person wanting a good milking strain, both for production and fat, should look her over.

Pasture bred to Pleasant View Jerry.

No. 25

Dairymaid's Lucky Lad

White and brown; calved June 26th, 1919.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929 (see No. 23).

Dam—Dairymaid 49591.

Sire of Dam—Charger of Fairfield 39298.

Dam of Dam—Floy 28230, with mature record in R.O.P. of 8,970 lbs. milk, 367 lbs. butter fat, test 4 per cent.

This bull we have to offer will probably go beneath his value, being young, but has good R.O.P. records on both sides, (for dam, see No. 8) and his dam and granddam cannot be beaten for tests. Who ever gets him will get something good.

No. 26

Pleasant View Rose 59213

White and brown; calved May 14th, 1916.

Sire—Charger of Fairfield 39298.

Sire of Sire—Floss' Record of Hickory Hill 30228.

Dam of Sire—Tib of Fairfield 37541.

Dam—Snowball 45491.

Sire of Dam—Rob Roy of Menie 27671. 4 qualified progeny.

Dam of Dam—Daisy Veno 14328.

This heifer is from high testing stock, her dam averaging near 5 per cent, but lacked a little in first year of qualifying, and having sold her did not have chance to put her in again.

Bred July 14th to Nancy's Master Peter 49631.

No. 27

Big Ben

White and Brown; calved Lassie May 3rd, 1919.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929. 3-year-old record in R.O.P. of 9,557 lbs. milk, 404 lbs. butter fat.

Dam—Lassie 49597.

Sire of Dam—Chief of Briar Hill 38632.

Dam of Dam—Fairy Violet 38257.

For record of Fairy Violet, see No. 3. This is a big, boney calf, although his dam has not been put through R.O.P. test. Had she been, I have no doubt but she would have done splendidly. On the sire's side he is from high producing stock.

No. 28

Pearl 2nd

White and brown; calved May 19th, 1919.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929 (see No. 7).

Dam—Pearl 39193.

Sire of Dam—Stoneycroft White Faced Boy 27506.

Dam of Dam—Bertha 25308.

Here is a choice heifer from an extra good, large dam with good tests. Although not been put through, is capable of making a good record, and we have every reason to believe she will make an excellent cow.

No. 29

Peter the 2nd

White and brown; calved March 30th, 1919.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929 (see No. 7).

Dam—Queen of Elaida 37378. 4-year-old record in R.O.P. of 10,087 lbs. milk, 440 lbs. butter fat.

Sire of Dam—Chieftain 26806.

Dam of Dam—Fiera 30867.

Here we have a splendid young bull, good size, with a good constitution, and both dams on both sides have splendid records; and with age he will make a good one.

No. 30

Snowdrop

White and brown; calved Nov. 2nd, 1919.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929. 3-year-old record in R.O.P. of 9,557 lbs. milk, 404 lbs. butter fat.

Dam—Pleasant View Pansy 59212.

Sire of Dam—Charger of Fairfield 39298.

Dam of Dam—Lily 39250.

This is a young calf, but typy and from good producing stock, and will certainly make a good one with feed and care. Her granddam is running in test this year, doing well.

No. 31

Nancy's Douglas

White and brown; calved April 3rd, 1919.

Sire—Nancy's Master Peter 49631.

Sire of Sire—Peter of Menie 35055.

Dam of Sire—Brookside Nancy 34929 (see No. 31).

Dam—Lily 49598.

Sire of Dam—Chief of Briar Hill 38632.

Dam of Dam—Polly Primrose 38258. 3-year-old record in R.O.P. of 8,507 lbs. milk, 352 lbs. butter fat.

Here is a nice typy young bull from a good cow with good tests. His dam has not been put through R.O.P. as yet, but is a real good cow. Expect to put her in another year. His granddam, as you will see above, made a good record as 3-year-old, testing 4.14. This will make a nice bull and will be a credit to any man's herd.

(Continued on page 8)

ALMOST A WHOLE FAMILY PERISH.

Two sisters, sole survivors of a on happy family, greeted us pleasantly, as we visited in a sunny ward at the Muskoka Free Hospital.

The mother and several other members of the family had died of consumption, and the plague had marked these two girls also for its own; but fortunately they were found in time.

One of them said: "I feel the Hospital has done me a great deal of good; everything is lovely, and I like it awfully well." The other: "I have gained twelve pounds, and think I will be able to go home for good in six months."

Such is the work of the Muskoka Free Hospital for Consumptives. Thousands of grateful patients can testify to the help they have received therein. It costs a great deal of money to carry on the work. Will you help?

Contributions may be sent to Sir William Gage, 84 Spadina avenue, or George A. Reid, 223 College street, Toronto.

At R. J. Campo's you will find a full line of Vegetables and Fruit. Pop Corn of first class quality. Squash at 20c & 25c each. Indian Corn Meal and the Old Fashioned Granulated Oat Meal, also Rolled Oats of very finest quality. We have recently opened a Hot Lunch and Drink Parlor at The Bazaar—Prices moderate.
