WILLIAM GORDON

NEW CRAFT

William Sommerville and James Startled Old-Times Residents—Is Billed Terry are spending the day fishing at for the International Races.

Residents in the vicinity of the waterworks were startled yesterday morning by the sudden appearance

of a mysterious craft which upset near the intake pipe. Rumors to the effect that it was pirate or the ghost of an 1812 gunboat were soon set at rest, however,

by the information that it was the new Canadian yacht intended to compete with the defender and Sham-rock II. in the International yacht The "White Swan" is closely model and is capable, as her skipper, Capt.

naught knots per hour.

LIGHT DOCKET.

her every success.

There was a very light police court docket this morning. Golden Aides, who came up on Saturday charged with keeping a vicious dog, was remanded until this morning. He has, since the information was laid, killed the dog and he was this morning let off by paying the costs of the case, which amounted to \$4.50.

Ross Ball will come up to-morrow morning charged with an attempt to defraud. This case arises out of a dispute re the sale of some goods to King, Cunningham & Drew.

OLD BOYS

Their Reunion-The City Hondon, Ont., August 5.-There is a

hot time in London to-night and has been all day long. Early this morning the sound of bands from Detroit, Cleveland and other places filled the streets with music. The fun started then and it has been kept up ever since. All the "Old Boys" gathered at Victoria park in the morning and were welcomed by Mayor Runball, Sir John Carling and others. They were told to do what they liked with the city and they are

This afternoon they all went to Springbank, nearly 30,000 strong, and the Old Boys now, residing in United States cities and civic authorities, members of parliament and business men who had been rejuvenated by the cert was held to-night and beacon fires and fireworks lighted up the hills around the city. The Detroit band and those from other cities are ading the streets which are thronged with people, London is wild with en-
