HOW'S THIS?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO., Toledo, O.

We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions, and financially able to carry out any obligations made by his firm. Walzing, Kinfan & Marvin, Wholesale Druggists, Toledo, Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price, 75c. per bottle. Sold by all Druggists. Take Hall's Family Pills for constipation.

A Raiser of Pickles.
"Anything I can do for you, madam?" asked the clerk in the seed store. "Yes," answered the sweet thing, tapping the counter with a tapering finger. "I wish to ascertain if bottled pickle seeds will grow as well as those of the bulk variety?"

RACKING PAIN IN THE JOINTS.
Also every form of rheumatism, neuralgia and sciatica are best cured by Nerviline, the quickest relief for muscular pain yet discovered. It's because Nerviline strikes in and penetrates right to the core of the pain that it gives such unbounded satisfaction. "I caught cold in my shoulders while driving and suffered great pain," writes G. E. Dempsey, of Berlin. I used Nerviline freely and was soon quite well. I have found Nerviline an excellent remedy for rheumatism and neuralgia as well as for cold on the chest. I recommend Nerviline highly and wouldn't be without it." Price 25c.

Flint and Steel.
Mrs. Highmore (with cold dignity)—To what am I indebted for the honor of this visit? Unexpected caller—To your careless servant, perhaps, madam. I dare say she forgot that you were not at home.

THE MAN WHO WORKS HARD.
Perseverance and will-power he must have, but whether he has vigor and strength is another consideration. Hard working men usually have irritable nerves and should fortify their systems with a course of Ferrone, a tonic that rebuilds and revitalizes beyond all telling. It's just wonderful the strength that Ferrone imparts to broken-down men. It forms new blood, supplies the system with abundant nourishment, and where formerly there was tiredness and lassitude Ferrone establishes a reserve of energy and vim. Try Ferrone, price 50c. per box.

Time Coming For Fairy Tales.
Little girl, you who are so insistent that I tell you fairy tales now, wait till you are grown up and married, and then you'll hear fairy tales in plenty.

Two of a Kind.
Mrs. A. Cerdity—You have accepted Henry! Why, you know very well I don't approve of him. Her Daughter—That's all right, mother. Neither does he approve of you!

SNIFFELING AND SNEEZING COLDS
Can be stopped in a few minutes, and permanently cured in one hour by inhaling fragrant, healing Catarrhine. No remedy compares with Catarrhine for cold in the head and nasal catarrh. It soothes and heals the inflamed mucous membranes, prevents sneezing and coughing, clears away the "stuffed up" feeling in the forehead. If you have not used Catarrhine get it to-day and try it on your next cold. You'll be surprised at the efficiency of the delightful inhaler treatment which pleases everyone because it cures so quickly. Complete outfit \$1.00; trial size 25c.

Pharaoh.
The word pharaoh was not, strictly speaking, the name of an individual, but of class or race. For ages all the Egyptian kings called themselves pharaohs, just as the Roman emperors were each styled Augustus.

THE VERDICT OF PUBLIC OPINION

Is with the best article every time. That's why Putnam's Corn Extractor has been in the lead for the last half century. It cures corns painlessly in twenty-four hours and never fails. Use only Putnam's for corns and warts.

Marriage is sometimes an accident where amputation is really necessary in the divorce courts.

Lever's Y-Z (Wise Head) Disinfectant Soap Powder is better than other powders, as it is both soap and disinfectant.

WALL PAPERS.

How to Choose Them So That They Will Prove Attractive.

Wall papers are attractive when they are chosen, first, of a color suitable to the temperament of those whose walls they must adorn; second, in a shade or a tone of that color which produces a pleasant sensation.

A plain or an inconspicuous paper is needed for a room where pictures are to hang.

A frieze is always lighter in tone than the walls below it, and the ceiling lighter still.

A low ceiling should not be decorated, as a general thing, as it then seems to rest on one's head.

The woodwork of a room should suggest a frame for its walls and ought never to be radically different in tone unless the architectural lines are good. Figures, flowers and complicated designs in wall papers are distracting if certain laws are disobeyed.

As, for instance, a paper with gilt in it can play strange tricks. It is promising and cheerful enough under certain lights, while when turned the other way for an instant it becomes formless and shiny and out of harmony with its surroundings.

Figures that do not match perfectly have destroyed the comfort of many invalids, and aggressive flower papers grow to seem like "noisy visitors, against whom one can never close the door."

The walls of our houses make the setting for our everyday lives and for our possessions.

THE UGLINESS OF IT.

A Bad Temper Not Only mars Beauty, but Spoils Life.

Of all the recipes which are suggested for the process of beautifying the simple one of a good temper is left out, and yet there is nothing more personally ugly and unattractive in woman than a bad temper, though she often does not realize this till her beauty is marred and her life spoiled thereby. Other women may forgive bad temper, but men never do. It is their eyes the unpardonable sin, and rightly so, seeing that nothing so quickly creates and insures a thoroughly unhappy home.

Let the girls who are being trained for life remember that a bad temper will as effectually ruin their chance of a happy future as any other hideous deformity, and when they would be ready to sacrifice so much for the attainment of such power as beauty, brilliance or fascination it is surely worth while to swallow something for the acquirement of so great and lasting a charm as good temper.

If a girl were to announce that she was subject to sudden fits of madness, but they were soon over; would it be likely that she would be wanted as an inmate of her own or any one else's home? Yet what else is an uncontrolled temper?—Edith H. Fowler in London Mail.

MARRY NOT A MAN—

Who never dresses up or cares how he looks except when he goes to see some lady.

Who thinks that a comfortable home and plenty to eat and wear should satisfy any woman.

Who thinks that the woman who gets him for a husband will be lucky beyond the rest of her sex.

Who bosses his sisters and does not think it necessary to show them the same consideration as other girls.

Who boasts to his men friends of his conquests among the fair sex and thinks that no woman can resist him.

Who does not regard marriage as a partnership in which there must be mutual concessions, but would be likely to think he owned his wife.

Who would like to humiliate his wife by making her beg for every dollar she desires for herself and tell what she is going to do with it.—Success.

Afternoon Tea.

Afternoon tea is becoming more and more a regular custom in this country now that we are learning the gentle art of idleness. A few suggestions of things that I have found decidedly appreciated at this function may not be amiss. Homemade bread cut in very thin slices, buttered and laid in squares on a bread and butter place is always relished with a good cup of tea. Current loaf, served daintily in the same way, is very popular. In making it, take two small cups of the sponge out of the general baking and place in a different pan. Take one-half cup of butter—a small cup—a half cup of sugar, a whole cupful of currants (or raisins if preferred), one egg, and stir all together. Then mix enough flour to make a dough and set it in two bread tins to rise. When risen sufficiently, put into the oven and bake a half hour.—Brown Book.

Tooth Powder.

An excellent tooth powder that is inexpensive, pure and efficient may be easily made by any one. Mix two ounces of pulverized borax with four ounces of precipitated chalk; add one ounce each of powdered myrrh and pulverized orris. Sift through fine bolting cloth, and it is ready for use. Tooth powder bottles with adjustable covers, such as shop powder is put up in, may be saved and filled with this home-made product.

Fried Nuts.

Fried nuts are dainty little additions to the luncheon or supper table. Good Housekeeping furnishes the recipe. Cold cooked farina, oatmeal or other cereal is reheated and seasoned with butter, salt and pepper. When cool enough to shape with the hands into small balls, dip in crushed walnuts, then in beaten egg, again in walnuts, and fry in deep fat.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

The uniform success of this remedy has made it the most popular preparation in use for bowel complaints. It is everywhere recognized as the one remedy that can always be depended upon and that is pleasant to take. It is especially valuable for summer diarrhoea in children and is undoubtedly the means of saving the lives of a great many children each year. For sale by All Druggists.

Chinese Gamblers.
In China drunkards as well as total abstainers are almost unknown. Gambling debts are pre-eminently debts of honor there and are more willingly and speedily paid than any others. To pay them a Chinaman will pawn all his property and even sell his children.

All Druggists will refund your money if you are not satisfied after using Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.

The plain man is often the one the women fancy.
