## THE STAGE

ANNOUNCEMENTS

(Supplied to The Planet by Press Agents.)

At the Brisco Opera House—

"THE ARRIVAL OF KITTY."

Novelty was the key-note of Norman Lee Swartout when he wrote the famous comedy production "The Arrival of Kitty," which is soon to be seen in this city presented with an excellent cast, now scenery, costumes and effects and in the same manner that characterized its success last season. "Kitty" contains music that is tuneful, dialogue that is bright, situations that are exciting, funny. There is no lagging in the performance, and an evening of spirited fun, music and frivolity may be counted upon during "Kitty's" stay in town. The ingenuity and treatment of the plot have compelled the theatre-going public to sit up and take notice, and when this decided and popular comedy success is presented here the theatre-going public of this city will have an opportunity of witnessing what last season proved the greatest comedy hit of the season.

The C. S. Williams Company, owners and directors, have given the production a most lavish scenic and costume embellishment, and the production will be seen here in the same form that has characterized its success.

## WHY CHEST COLDS ARE DANGEROUS.

They lead to pleurisy and pneumonia. Follow the Advice of W. H. Powles, of Powles' Corners, Ont., says: "I used to be subject to attacks and although I used most everything nothing relieved quickly till I discovered Nerviline. I have used it for pleurisy and sore chest and found it just the proper thing. For Lumbago or Neuralgia it's as quick as lightning. I cheerfully recommend Nerviline." ## DOCTORS CHANGE THEIR METHODS.

Years ago they fought catarrh by internal dosing. They saw this ruled out the stomach and changed to the ozonated air cure, better known as "Catarrhazone." This treatment is sure to cure. It goes to the source of the disease; it destroys the causes that maintain catarrh and even in the worst cases permanent cure is guaranteed. Failure with Catarrhazone is impossible. Antiseptic, healing and far-reaching, it's bound to cure every time. Endorsed by more than twenty thousand physicians in America alone and sold in 25c. and \$1.00 sizes by all dealers.
