The greatest papers in Great Britain and the United States freely acknowledge the wonderful merit of the FAMILY HERALD AND WEEKLY SEAR, Montreal. The FAMILY HERALD is a great newspaper and a great family paper, but it is more than that, it is one of the greatest authorities in the world on cheese, butter, general dairying, and general farming. How a progressive, up-to-date farmer can do without the FAMILY HERALD AND WEEKLY SEAR of Montreal is hard, indeed, to understand. MINARD'S HONEY BALSAM, once tried, always used.
