Our Work Abroad

An excellent account of the second Indian National Convention at Bangalore, Mrs Dr Phillips in the chair, is given by the Bombay Guardian.

LA GRIPPE'S VICTIMS

A Scourge More to be Dreaded than Pestilence.

The Story of a Nova Scotian Lady who almost lost her life through the ravages of this epidemic.

Upon recovering from neuritis, she one day noticed a little pimple on her left ankle which became exceedingly painful.

Mrs Palmer writes: "The Diamond Field's Advertiser, published at Kimberly, Cape Colony, is at hand. The sixth annual convention of the colonial W. C. T. U. had just closed in that town.

"The department for the education of women in good citizenship" has been formed.

Mrs Agnes Slack, secretary of the World's W. C. T. U., has just visited several of the leading cities of Ireland.

The Alliance News, Dublin, says of Mrs Slack's visit: "Her work has been crowned with marked success, and temperance effort must receive a great impetus from her eloquent and persistent advocacy."

On the occasion of the first annual meeting of the Methodist Women's Total Abstinence Union of Dublin, Miss Slack was invited to address them.

The union numbered one hundred and forty-one members. The Daily Express says of the meeting in part:

"Miss Slack thanked them for the loyal and hearty welcome which she received from all the Methodists of Dublin. She had come there on a particular mission, and was sent there, not by any one country, but by the whole world. At a world's committee of her organization held in London on the 16th June last, it was stated that Ireland was not affiliated with their union, and she came over in the name of fifty nations and set of them to join with them. She came from an organization which recognized no creed, no party, no sect, and no nationality."

Did you ever know of a cure? Just think a moment!

If you do it, you must have been the work of God's Kidney Pills, for no other medicine could have effected such a cure.

Scraps for Odd Moments.

The difference between obstinacy and firmness is the difference of viewing it from the outside or the inside.

She—Did Mand lose her heart when you proposed to her? No; I think she must have lost head; she said no.

Minards Liniment is the best.

He—Do you know, I always feel like a fool in a full dress suit. She—What a pity you can't hide your feelings a little.

One of the troubles of life is the fact that the man who has money enough to pay as he goes can get all the credit he wants.

Mab—And so you're engaged to one of the Mandon twins? Fred—I don't try.

Minards Liniment cures La Grippe.

Blotbe—Miss Oidgiri would make a good soldier, Slobb—Used to powder, eh? Blotbe—yes, and never deserts her colors.

The man who sits down to wait for his opportunity will some time discover that it passed that way several hours before he sat down.

Alexander, you are an idiot. I am sorry, sir.

Hereafter if I need an idiot to do something for me, I'll do it myself.

Consumptives obtain relief by using Ayer's Cherry Pectoral. No other cure is so effective.

Do you think that De Bede is two faced?

I should hope not. One such face as he has is enough to convict a man.

He—I'm afraid the coming woman will sweat.

She—Oh, no; she intends to run things so well there won't be anything to sweat at.

When a young man calls on a girl, and does not compliment her, she thinks he is mean, and if he does compliment her, she says she does not believe a word he says.

Hoar—I understand you run away to sea when you were a boy?

Joak—No, I started so, but my father caught me, and I went on a whaling expedition with him.

Ayer's Sarsaparilla purifies the blood, and expels all poisonous elements. Sold by druggists.

Considerate Father—Why did you allow young Marchman to kiss you in the parlour last night?

Daughter—Because I was afraid he'd catch cold in the hall.

And, he continued, if we don't get no rain, I allow it will be baked too hard for ploughin'.

Clara—I wonder if it is true that one is likely to catch something from being kissed?

Maudie—Of course not. You've been kissed enough, but you haven't caught anything yet, have you?

Improper and deficient care of the scalp will cause grayness of the hair and baldness. Escape both by the use of that reliable specific, Hall's Hair Renewer.

A Professor was expostulating with a student for idleness, when the latter said: "It's no use; I was cut out for a loafer. Well, declared the Professor surveying the student critically, whoever cut you out understood his business."

Here is the way a burxom young girl passed the word "kiss" in a Phoenix, Ariz. school the other day. Kiss is a noun, though generally used as a conjunction. It is never declined. It is more common than proper. It is not very singular and is generally used in the plural number and agrees with me.

Minards Liniment the best Hair Restorer.

Maine newspapers are telling that a Carbon-chlorine, the other Sunday, noticing that the choir seats were unoccupied when the time for beginning the service arrived, he rose and remarked: "I see all the singers are absent this morning. Let the congregation rise and sing 'Gloria God, from whom all blessings flow.'"

In a biographical sketch, intended to be wholly complimentary, of a banker in Lamar, Ky., a newspaper of that town says the banker "has forged his way from a clerkship to a position in the firm." Obviously it would be a difficult and delicate task to undertake to explain that the use of the unfortunate figure of speech was well meant.

I WAS CURED of a bad case of Grip by MINARD'S LINIMENT. Sydney, G. B. C. E. LAUREL.

I WAS CURED of loss of voice by MINARD'S LINIMENT. Yarmouth. CHARLES FLOMMER.

I WAS CURED of Severe Rheumatism by MINARD'S LINIMENT. Burin, Nfld. Lewis S. BROWN.

Paralysis Curable.

Sudden Ours to be Seen Everywhere—This form of Living Death cured by Dodd's Kidney Pills.

The most startling example of human helplessness is the paralytic.

The victim excites your commiseration but resents your pity.

He of the palsied hand stifly pressing the benumbed side is to be seen everywhere we go.

The most convincing proof that this pitiable condition is the outcome of kidney disease is the fact that Dodd's Kidney Pills will cure it.

Not generally recognized as a kidney disease, it is usually kidney treatment.

Did you ever know of a cure? Just think a moment!

If you do it, you must have been the work of God's Kidney Pills, for no other medicine could have effected such a cure.

DON'T DESPAIR

WILL CURE YOU

We guarantee Dodd's Kidney Pills to cure any case of Bright's Disease, Diabetes, Female Disorder, Impaired Vision, Headache, Neuralgia, Dropsy, Rheumatism, or any ailment arising from a disordered condition of the kidneys.

Shoes for Show

Do not look well in a window—do for anything but comfort. Such are the kind that please your eyes at the expense of your feet. The shoe which does not fit your foot the first time you wear it promises little comfort for the wear.

It costs more money to secure the foot-fitting lasts of the Slater shoe than for some entire shoe stocks. That's why they possess more foot-comfort, wear and appearance than other shoes. Stamped on the sole \$2.00, \$4.00, \$5.00 per pair.
