## THE GOVERNMENT WINS TRIUMPHANT

### Almost a Clean Sweep—All Opposition Leaders Go Under—but Two Liberals Elected.

The Fleming government has been returned with supporters from every constituency save Madawaska, which sent two Liberals, Gloucester, where the election is deferred until Monday, and Northumberland which elected two opponents.

In Carleton county the Premier's majority was more than twice what his supporters had hoped for. The full government ticket was elected in Carleton as it was in every county except Madawaska and Northumberland, where two Opposition Conservatives were elected.

The Opposition was snowed under yesterday. The snow will disappear—it always does—and what has been concealed will spring up more vigorous.

The province is in the iron grasp of a grinding monopoly. The great corporation did not mean that the government should lose. We are sold out.

#### Brighton S. S. Convention.

The annual convention of the Parish of Brighton Sunday School Association was held in the Methodist church at Hartland on Tuesday.

The afternoon session was opened by Rev. H. S. Dow leading devotional exercises, reading 2 Tim. 2. He gave an address on the duties of Sunday school superintendents.

After singing, the minutes of the last annual meeting and the meeting held last March at Windsor were read.

Mrs. S. S. Miller reported the United Baptist school in place of W. D. Keith the appointed delegate, who was absent.

Mrs. H. N. Boyer reported the Reformed Baptist school of Hartland, and Rev. A. Tedford reported the Rockland school.

Mr. Noble reported the Lower Brighton, and T. H. Forest the Windsor schools.

Mrs. J. K. Flemming gave a detailed report of all the schools in the parish.

Rev. A. Tedford gave a very interesting paper and a talk on "The Boys."

At the evening session Rev. H.

T. Smith led the devotional exercises.

Mrs. Miller sang a solo.

Rev. J. C. Cole gave a very interest-

ing talk to parents.

After music by the combined choirs of

the village churches, Rev. H. S.

Dow gave a stirring address on

temperance and the cigarette and

tobacco habits. Rev. E. C. Jenkins also delivered a masterly address.

The convention was very instructive and interesting, probably more so than any convention in recent years. The success which marked the sessions was almost wholly due to the untiring work of the parish secretary, Mrs. J. K. Flemming.

#### Methodist Conference.

The annual meeting of the N. B. and P. E. I. Methodist conference was held in Fredericton last week, when the clergymen from the Woodstock district were appointed as follows:

Canterbury, To be supplied;
