March Weather

Our Canadian March weather one day bright, but sloppy, the next blustery and cold—is extremely hard on children. Conditions make it necessary for the mothers to keep the little ones indoors. They are often confined to overheated, badly ventilated rooms and catch colds which rack their whole system. To guard against these colds and to keep the baby well till the better brighter days come along, a box of Baby's Own Tablets Growth Shows Desire occasional dose given the baby to keep his stomach and bowels working regularly .The Tablets are a mild but thorough laxative which never simple fevers and keep the baby Mt. The Tablets are sold by medicine from The Dr. Williams Medicine Co., Brockville, Ont.
